## DEDICATION

A wise man once said "An institution is the lengthened shadow of one man." Certainly it can be said that the Ohio Northern College of Pharmacy is the lengthened shadow of R. H. Raabe.

Dean Raabe was graduated B.S. degree from Ohio Northern University in the summer of 1903. After teaching for several years he returned to Northern and earned the degrees of PhG. and Ph.C. In 1930 he received his doctorate at the University of Havana, Cuba. Dean Raabe began teaching at Ohio Northern in 1910 and taught for a total of forty-five years. He served as Dean of the College of Pharmacy from 1917 to 1950. In 1950 he was named Dean Emeritus of the College, remaining on the faculty, but with less teaching responsibility. At the time of his retirement in 1955, the student branch of the American Pharmaceutical Association and Kappa Psi fraternity honored him with a banquet in recognition of his many contributions to Northern. At commencement in June 1955, Dean Raabe was presented with a citation for his outstanding leadership and service at Ohio Northern University.

Dean Raabe stands as a symbol of Ohio Northern stability and solidarity. For nearly half a century he has stuck by Northern "through thick and thin." He, with others, stayed by at great personal sacrifice, and carried on when the future looked anything but bright. Through his long years of leadership and faithful service he has gained the everlasting esteem, gratitude, and support of the students, alumni, faculty, and administration of Ohio Northern University.

The editor and staff of the Northern are honored by the privilege of dedicating this yearbook to R. H. Raabe, Dean Emeritus of the Ohio Northern College of Pharmacy. Dean Raabe is certainly echoing the words of the citation presented to him at commencement, "One of Northern's grand old men, dearly beloved." He is certainly "One of Northern's grand old men, dearly beloved."

## PRESIDENT'S MESSAGE

Ohio Northern University with all of its colleges is definitely "on the march." We have had four outstanding victories this academic year. The College of Engineering and the College of Law have received full recognition by their respective national accrediting agencies. We have "broken ground" and are completing a campaign for funds for Lima Hall—a dormitory for freshman men. We have had the high privilege of announcing the largest gift ever presented to the University—an endowment fund in excess of  $\frac{1}{2}$  million dollars.

The student body and faculty of the University have had no small part in these accomplishments. You have every reason to be proud to have been a part of the on-going program of Northern this year. We appreciate deeply your loyal support and fine spirit.

*Frank McDulock*

TIME  
and  
Ohio Northern

Time-guiding and measuring our lives-is important to every person. Each day, week, and month of life ticks away on the eternal clock. We with our theme of "Time" have attempted to show how these measures have passed on the much smaller clock of our university life.

If in time to come this book is able to recall to its reader the pleasant memories of our years at Ohio Northern University, we shall feel that our efforts have been more than duly rewarded.

# ADMINISTRATION

C. E. Wintringham, A.B., S.T.B.  
*Vice President, Director of Public Relations*

Mr. C. E. Wintringham is the release agent for all news releases going out of the university and supervises the publication of all bulletins and brochures designed for public information and use. In addition to these duties, he is the Director of Religion on the Campus and is responsible for a close co-operation and relationship between the church and the university.

As Dean of the University, the duties of Hildred B. Jones are to coordinate the curriculum and program of the various colleges and the university, to conduct a program of orientation for new faculty members and lead the other members of the faculty in programs designed to keep them abreast of the best in educational thought and practice, and to give general oversight to the admissions program of the university and such matters as scholarships, loans, grants, warning and probation, or dismissal from the university.

Hildred B. Jones, A.B., A.M., Ph.D.  
*Dean of the University*

General S. G. (Sam) Conley graduated from the U. S. Military Academy at West Point in 1924. He was prominently concerned with Army Training problems and during World War II played a major role in planning and operating Lend-Lease and logistical backup for European Invasions. He commanded the 274th Infantry in Europe, where he was decorated with the DSC, LM, and Bronze Star. He also served as EUCOM G-3 (operations) for three and one half years under General Clay. In the three years before his retirement from the service, General Conley was Deputy G-3 of Headquarters Army Field Forces and supervised all schools and unit training. Since his arrival on campus this year, he has taken over the position of Director of Development and is heading the improvement program of Ohio Northern University.

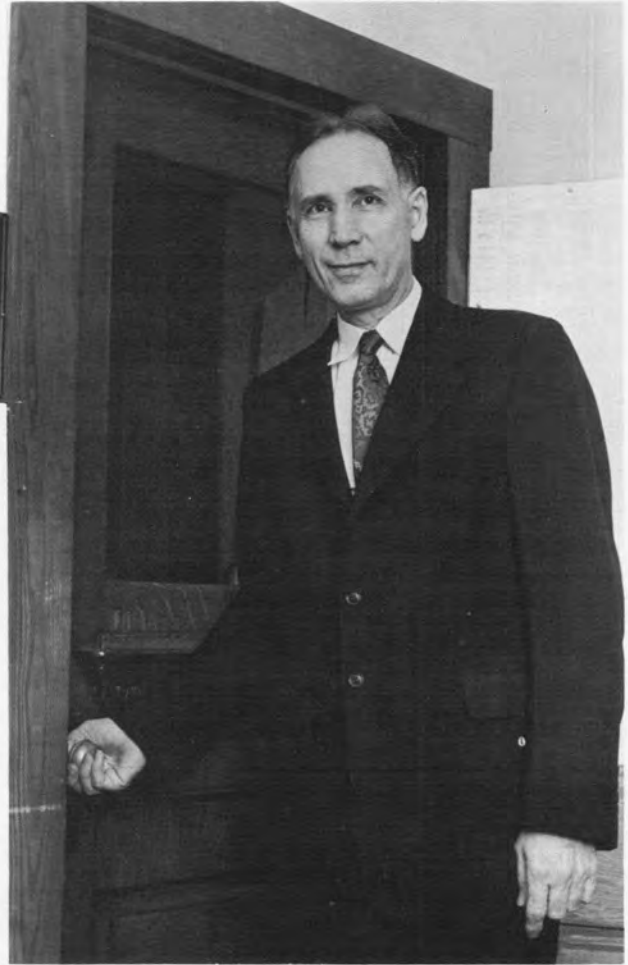

General S. G. Conley  
*Vice President, Director of Development*

# ADMINISTRATION

The duties of Dr. James A. Woofter, Registrar, are to keep permanent records of all academic matters, to examine the qualifications of students proposed for admission to the university, to direct the program of the registering of students in classes, and to recommend the credentials of all candidates for graduation.

James Andrew Woofter, A.B., A.M., Ed.B.  
*Registrar*

Kenneth F. Martin, B.S., A.M.  
*Treasurer and Business Manager*

As Treasurer and Business Manager of the University, Mr. Martin is responsible for the collecting and the proper caring of the income of the school, the operation of the budget, the purchase of all supplies, and the paying of all properly authorized bills. Also under his jurisdiction is the maintenance department which is responsible for the upkeep of the physical plant and the grounds of the university.

# ADMINISTRATION

The Deans of Men and Women are the members of the administration who are closest to the students. This year these posts were filled by Miss Genevieve McCracken and Mr. Fred R. Clark. They play a large part in helping students coordinate the many aspects of their college career. Their attentive understanding is greatly appreciated by the student body.

## THE DEANS

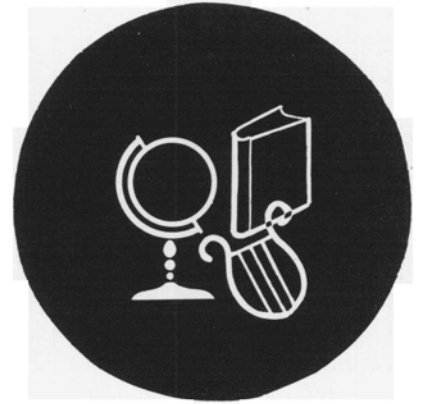

The personal counselling received by the students is often the deciding factor between success and failure, so the responsibility placed on the Dean of Men and Dean of Women is great. In addition to the position of counselor, both deans act as advisors in various campus projects and coordinators of the many campus organizations. The many achievements of the individuals and organizations of Ohio Northern show that Dean McCracken and Dean Clark have done a splendid job this past year.

Lehr Memorial, erected in 1915, memorializes Henry Solomon Lehr the founder of the university.

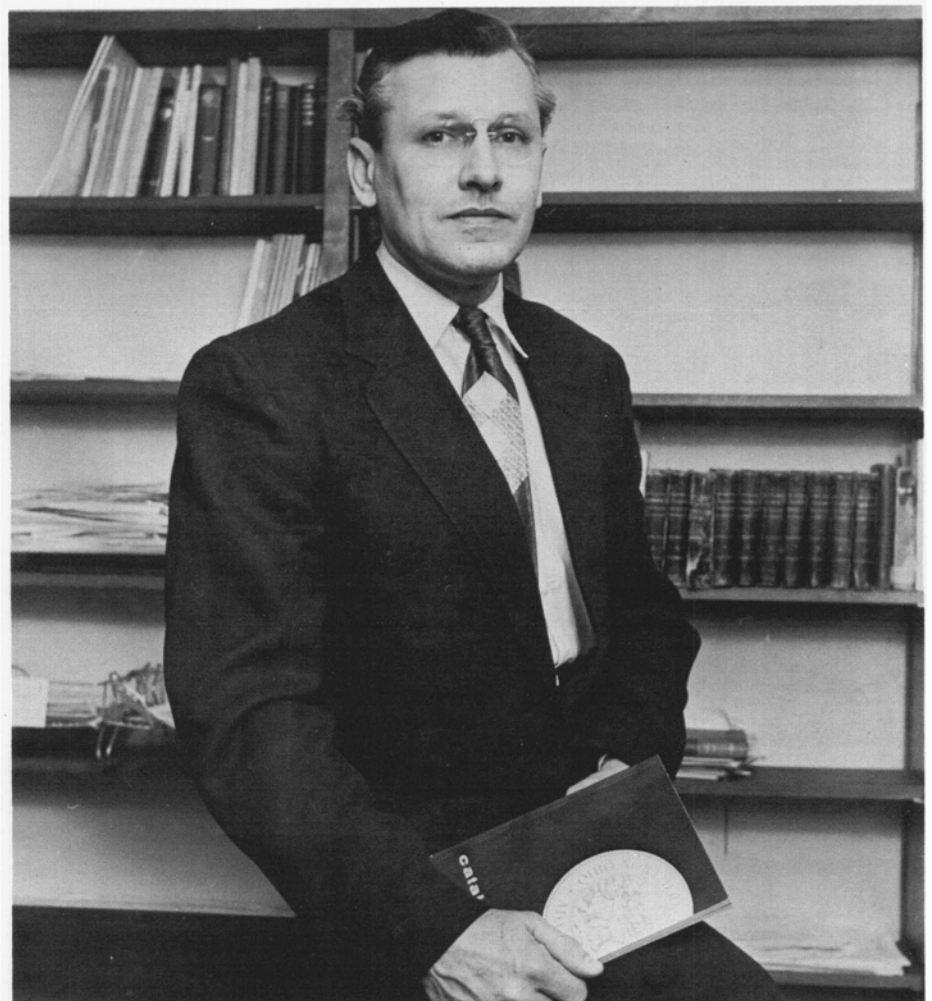

# FACULTY

## COLLEGE OF LIBERAL ARTS

The ever-growing College of Liberal Arts represents the careful thought and planning of many interested persons, both faculty and students. It becomes better equipped each year and exhibits many aids to learning. It represents the oldest college on the campus and its traditions and programs are many.

The college is divided into language, literature and arts; natural sciences; social sciences and teacher training divisions. The curriculum is planned to give as much freedom as possible to the student in meeting his needs, interests, and abilities.

Oscar G. Darlington, A.B. (Penn State), A.M. (Penn State), Ph.D. (Pennsylvania), 1955  
Dean, College of Liberal Arts

Hazel M. Younkman, B.S.Ed. (Ohio Northern), A.M. (Ohio State), 1918

## ART

The art department is under the direction of Mrs. Hazel Younkman, who holds classes in the Art Annex. Students in the education department take courses in art to enable them to teach art in their classrooms. Liberal Arts students are able to gain an insight into art appreciation through the art department.

## BIOLOGY

The biology department is located on the second floor of Hill Building. Andrew Stauffer is the chairman of the department with the able assistance of Bruce Hanson, Robert Bowden, Hal C. Yingling and Richard F. Pannabecker. Courses are offered in biology, anatomy, physiology and botany as well as advanced courses. Besides serving the students of the Liberal Arts College, members of the pharmacy school also are able to use the biology facilities.

Bruce W. Hanson, B.S. (Monmouth College), M.S. (Wisconsin), 1955; Robert Bowden, A.B. (Haverford), B.S. (Ohio Northern), A.M. (University of Michigan), 1952; Hal C. Yingling, Jr., A.B. (Augustana), M.S. (Northwestern), 1949; Andrew Stauffer, B.S. (Ohio Northern), B.S.A., M.S. (Ohio State), 1953; Richard F. Pannabecker, B.S. (Roosevelt College), 1954

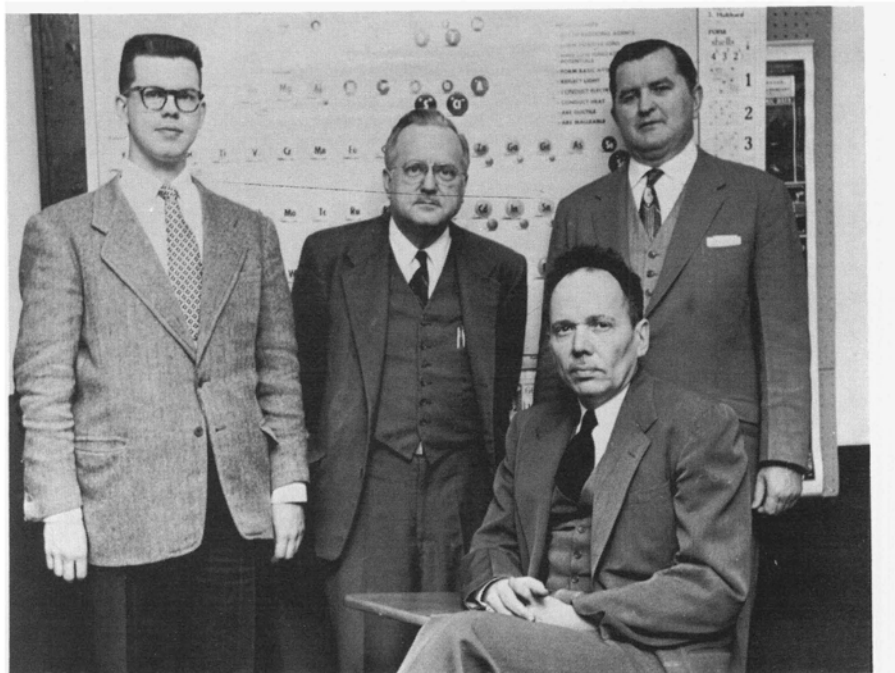

## BUSINESS AND ECONOMICS

The Business Administration and Economics departments are located in Brown Building. Mrs. Harriet Ritz and Rudolph Pinola instruct the economics courses while Miss Margaret Hughes handles typing and shorthand classes. These courses are required for Pharmacy students as well as business or secretarial majors.

Rudolph Pinola, A.B. (Minnesota), A.M. (Wisconsin), 1954; Harriette Smith Ritz, B.S., M.S. (Indiana), 1947

## CHEMISTRY

The Chemistry department is a part of the college of liberal arts, although it is located in the pharmacy building and serves many pharmacy students. Because chemistry is becoming a great factor in our everyday life, and there is an increasing need for chemists, chemistry majors are becoming more numerous on the campus. Van Alderman is chairman of the Chemistry department with Lyman Caswell, James Hackney and Leonard Luzenski lending their support.

Lyman R. Caswell, B.S. (Indiana), M.A. (Indiana), 1955; James C. Hackney, B.S. (Guilford), M.S. (North Carolina State), F.L.C.TH. (London College of Theology), Sc.D. (Temple Hall), 1955; Van V. Alderman, B.S. (Chicago), Ph.D. (Chicago), 1955; Leonard L. Luzenski, B.S. (Penn State), Graduate School (Penn State), (Georgetown University), 1955

## EDUCATION

Since a very large number of the students of the Liberal Arts college are preparing for the teaching profession, the education department is a very important one. Mr. C. C. Robertson, Dr. Katie Lou Hanson and Dr. Walter Zaugg make up the education faculty. The education students study both the methods and principles of education and spend one quarter practice teaching to gain actual experience in the field.

Katie Lou Hanson, A.B., A.M. (South Carolina), Ed.D. (Columbia), 1948; David H. Markle, A.B. (Ohio Wesleyan), B.D., A.M., Ph.D. (Yale), 1949; Walter A. Zaugg, A.B. (Valparaiso University), (Indiana), A.M. (Columbia), Ph.D. (New York), 1955; Clinton C. Roberson, B.S. (Oakland City College), A.M. (Ohio State), 1952

Seated: George S. Barber, A.B. (Penn State), A.M. (Penn State), Ph.D. (Penn State), 1955; Frances Harriet Bennett, B.S.Ed., A.M. (Ohio State), 1953. Standing: Robert P. Price, A.B. (Southwestern), A.M. (Columbia), 1951; Paul C. Pegis, A.B. (Marquette University), 1954; Allen W. Higgins, B.S.Ed. (Bemidji State), M.A. (Minnesota), 1955

## ENGLISH

There were six instructors in the English department this year. They were: Miss Frances Bennett, Miss Mabel Crawford, George Barber, Robert Price, Paul Pegis and Allen Higgins. These instructors provided three quarters of required English Composition for the freshmen, and enriched the education of many other students with courses in literature and advanced grammar.

## FOREIGN LANGUAGE

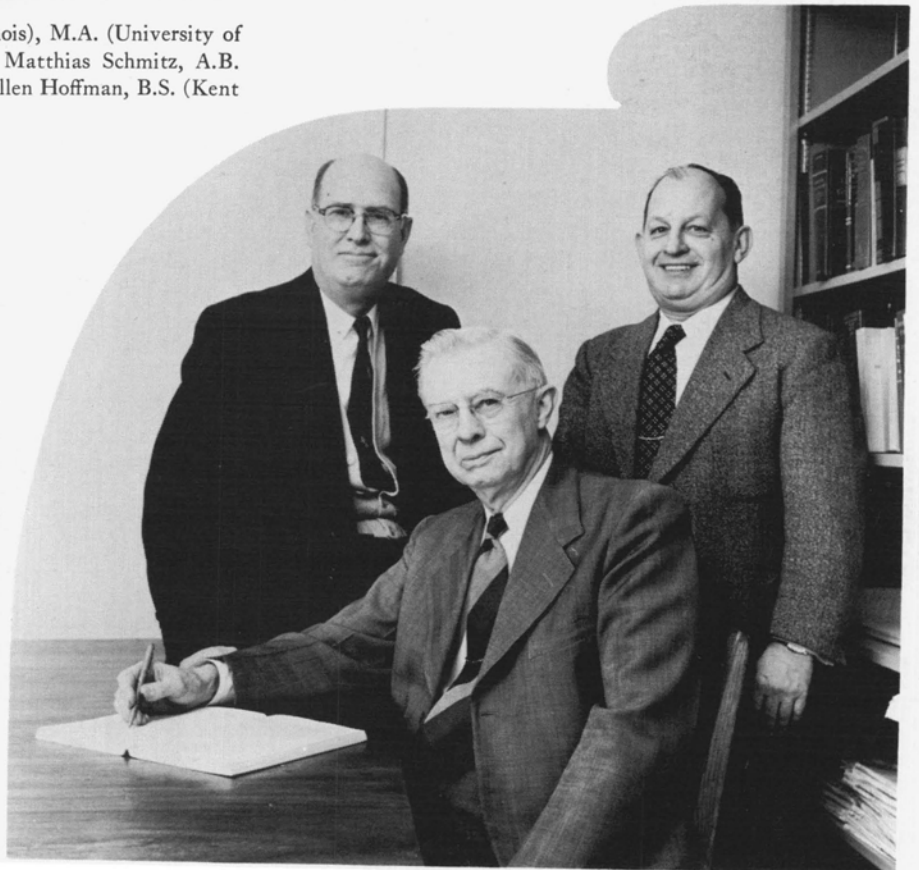

The language department of Ohio Northern presents its subjects in a new and interesting fashion. Schoonover Laboratory provides facilities for many students to hear themselves speaking their language lessons on a tape recorder. Many other devices to aid in pronunciation and appreciation are also available in the lab. It is also available for speech students and those who are interested in extending their experiences in hearing and seeing. Dr. Matthias Schmitz, William Bishopp and Mary Ellen Hoffman comprise the language faculty. They are aided by student assistants who are trained to help in the laboratory.

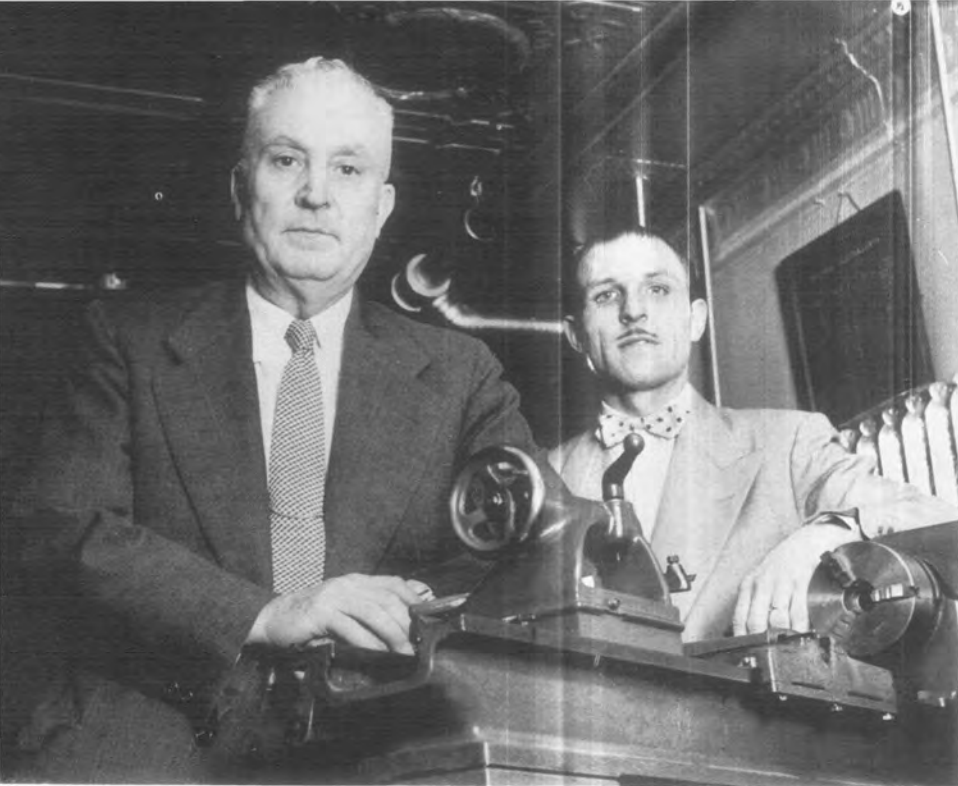

William F. Bishopp, Jr., A.B. (University of Illinois), M.A. (University of Oregon), University of Paris (Sorbonne), 1954; Matthias Schmitz, A.B. (Cologne), A.M., Ph.D. (Harvard), 1952; Mary Ellen Hoffman, B.S. (Kent State), M.A. (Kent State), 1955

## HISTORY AND POLITICAL SCIENCE

Liberal Arts students in the Liberal Arts college are instructed by Dr. Wilfred Binkley, Dr. Robert Hilliard, and Dr. Anthony Milnar. Under their able guidance students can study the growth of society, the history of various countries, government problems, and recent American History. Since our world is growing more and more concerned with the past and future of other nations, a good background in history and political science is essential for citizenship.

Robert H. Hilliard, A.B., B.S.Ed., A.M., Ph.D. (Ohio State), 1946; Wilfred E. Binkley, B.S. (Ohio Northern), A.B. (Antioch), A.M., Ph.D. (Ohio State), 1920; Anthony L. Milnar, A.B. (Upsala), M.S. (Indiana), Ph.D. (Georgetown), 1955

## INDUSTRIAL ARTS

The Department of Industrial Arts offers courses for all students in the university and especially for those interested in becoming teachers in industrial subjects in public schools. The workshops and classroom are in the basement of Brown Building. Here Mr. D. R. Lowman and Mr. Richard Kain instruct students in the skills and use of machines which are necessary to Industrial Arts training.

D. R. Lowman, B.S., A.M. (Ohio State), 1951; Richard D. Kain, B.S. (Ohio Northern), 1953

## MATHEMATICS

It is necessary for a future pharmacist, engineer, chemist, and future mathematics teacher to be well prepared in mathematics as well as those who are working for a higher degree. These students are instructed by Mrs. Clarice Stauffer, Dr. Oscar Dustheimer, and Robert Schlea.

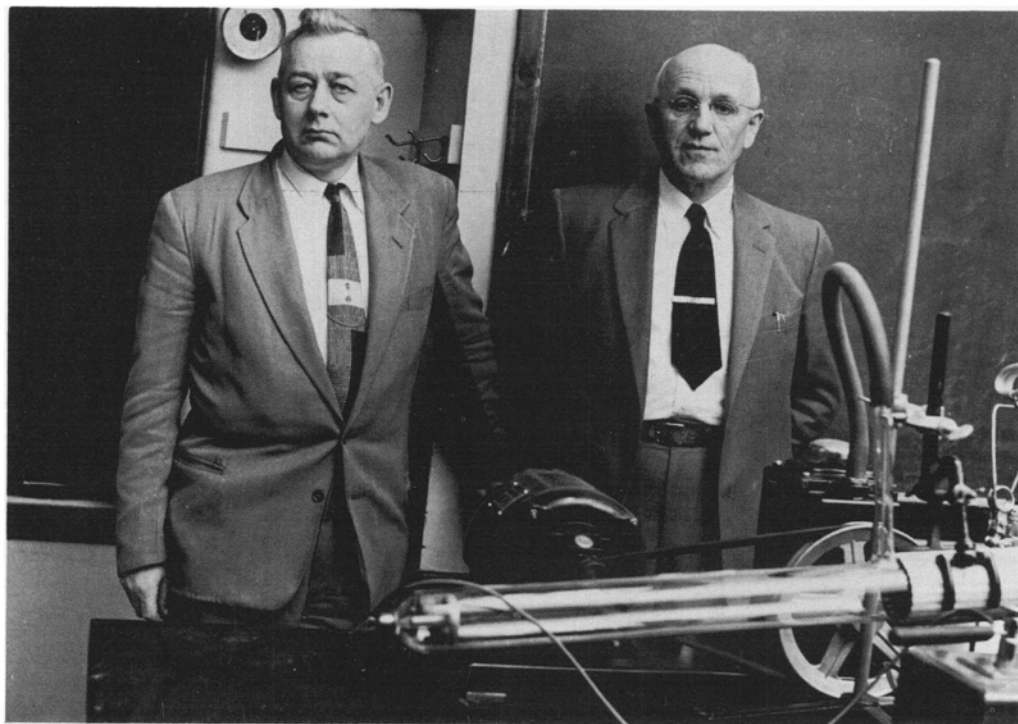

Oscar L. Dustheimer, B.S. (Ohio), A.M. (Clark), M.S. (Michigan), Ph.D. (Michigan), 1955; Clarice Stauffer, B.S.Ed. (Ohio State), M.A. (Ohio State), 1954; Robert E. Schlea, B.S.Ed., A.M. (Bowling Green), 1954

## MUSIC

The music department of Ohio Northern University contributes a great deal to the life of the campus. The students of the various colleges contribute their talents to the choir and the band, and the rest of the university obtain much enjoyment from their efforts. During the year, Professor Karl Roider received his doctorate and is now Dr. Roider. Alfred Mudrich and Anthony Salatino complete the music faculty. With the exception of choir and band rehearsals, music classes for majors and non-majors are held in Presser Hall.

Karl Andrew Roider, B. Mus. (Eastman School of Music), M. Mus. (Rochester), Ph.D. (Columbia) 1955; Anthony J. Salatino, B.S. (Eastman School of Music), (New York State), M.A. (Columbia), 1955

Ernest Abele, M. Math. Sc. (University of Latvia), 1952; A. A. Benedict, A.B. (Ohio Wesleyan), A.M. (Ohio State), 1952

## PHYSICS

Mr. Ernest Abele and Mr. A. A. Benedict direct the work necessary to all engineering and pharmacy students in the field of physics, as well as serving many liberal arts people. The classrooms and laboratories on the first floor of Hill Building are complete with equipment in the mechanics of light, heat, sound, and electronics.

## PHILOSOPHY AND RELIGION

Every student at Ohio Northern is required to study religion or philosophy, in order to round out his education. Since these subjects are basic to life, it is natural that they should be basic courses. This department also is a preparatory training center for pre-theological students, so it carries many advanced courses. Marion E. Tinsler and Ivan C. Hodges are the members of the psychology and religion department.

Marion Elmer Tinsler, A.B. (Bluffton), B.D. (Garrett), 1943; Ivan C. Hodges, A.B. (Taylor), S.T.B. (Boston), A.M. (Earlham), 1955

## PSYCHOLOGY AND SOCIOLOGY

Psychologists and socialists are playing an expanding role in our society. Every new discovery in the field of the mind makes us more conscience of the complexity of our emotions and their importance in creating a criminal or a saint. Richard M. Clayton, Harold Lieberman, and Karl Zucker are the men in charge of this interesting department here at Ohio Northern. Students are given an opportunity to adopt psychology or sociology as their major field, or to become acquainted with them as sidelines.

Richard M. Clayton, A.B. (Haverford), M.A. (Pennsylvania), 1955; Harold Lieberman, A.B. (Toledo), A.M. (Chicago), 1953; Karl B. Zucker, B.S. (Chicago), A.M. (Western Reserve), 1953

## PHYSICAL EDUCATION

The physical education department is important to every student at Ohio Northern because six quarters work in that field is a graduation requirement. This department also has charge of the varsity sports events which play such an important part in our college activities. In addition, an excellent intramural provides exercise and competition for those not engaged in varsity sports. Miss Marion Russell, Clyde Lamb, Marve English, and Richard 'Barney' Poole are the instructors.

Clyde Albert Lamb, B.S. (Coe), A.M. (Columbia), 1929; Marvin English, B.S. (Ohio Northern), A.M. (Columbia), 1949; Marion Russell, Certificate (Bouve'-Boston School of Physical Education), B.S. (University of New Hampshire), M.S. (University of Wisconsin), 1955; Richard Poole, B.S.Ed. (Ohio Northern), 1952

## SPEECH AND THEATRE ARTS

Speech and Theatre Arts, although within the Department of English, are constantly broadening their scope throughout the whole university. Under the able supervision of Doyle Smith, the Northern Players have provided the campus with first class entertainment. The other member of the department, J. Buckminster Ranney, offers valuable speech training to students of the university.

J. Buckminster Ranney, A.B., A.M. (New York), Ph.D. (Ohio State), 1955; Doyle Smith, B.A. (Bowling Green) (Drake University), M.F.A. in Play Production (Texas), 1955

The home of the College of Law, this building was dedicated in 1925. It contains classrooms and the Jay P. Taggart Library and study room.

## COLLEGE OF LAW

The College of Law of Ohio Northern University counts among its graduates many successful lawyers and lawmakers of Ohio and the nation. It presents well prepared candidates for the bar examination with better than average records.

The college offers a three year course leading to a Bachelor of Laws degree, and though its students for the most part represent other colleges in preliminary arts education the pre-legal program of the college of liberal arts is closely correlated with that of the law school.

Stephen R. Curtis, Ph.B. (Chicago), J.D. (Chicago), 1955

Claude Westcoat Pettit, A.B. (Ohio State), LL.B. (Western Reserve), LL.M. (George Washington), 1925

Vincent C. Immel, B.S.Ed. (Bowling Green), J.D. (Michigan), 1948

The Ohio Northern University College of Law has graduated some 2500 successful barristers. These have gone on to the law practice, but many of them have also entered politics and government and achieved distinction in their chosen fields.

Although the glory of the College of Law has been great in the past, it can only be assured continued success by preparing capable and well qualified graduates for the future. The law graduates hold the responsibility to provide the distinguished senators, governors and lawyers of the future.

# LAW

William M. Moldoff, A.B. (Iowa State), LL.B. (Miami),  
LL.M. (Michigan), 1955

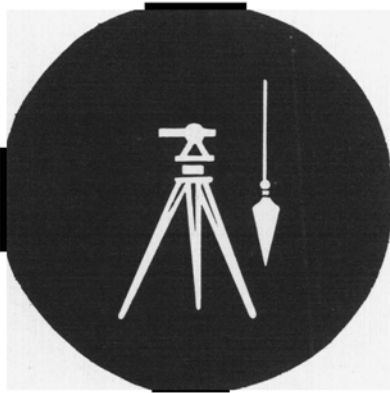

E. Vergon Smith, A.B., LL.B. (Ohio Northern), 1922

The aid of the founders of Ohio Northern's College of Law was to provide an opportunity for students of limited means to obtain qualified training in the law. By adequate preparation in liberal arts, a student can become qualified to enter law school, to the eventual end of entering one of the most respected professions. This principle has been continued through the ensuing years, and today the College of Law is a respected institution in its field.

Eugene N. Hanson, A.B. (Luther), A.M., LL.B. (Wisconsin),  
LL.M. (Michigan), 1947

Lawrence H. Archer, B.S.C.E., B.S.Ed. (Ohio Northern), A.M. (Bowling Green), P.E. (Ohio), 1947

## COLLEGE OF ENGINEERING

The Engineering Building houses the College of Engineering in recently remodeled quarters.

In the highly mechanized world of today, the engineer stands as a symbol of development in the field of construction. To the electrical, civil, and mechanical engineers we owe many of the conveniences and necessities of our daily lives. They are also the men behind the scenes who improve the lives of Americans and do a great part in insuring world peace.

Alton D. Taylor, E.E. (Rensselaer), A.M. (Colgate), P.E. (Vermont) (Illinois) (New York), 1954; Archie V. Hillery, B.S.C.E. (Ohio Northern), P.E. (Ohio), 1954.

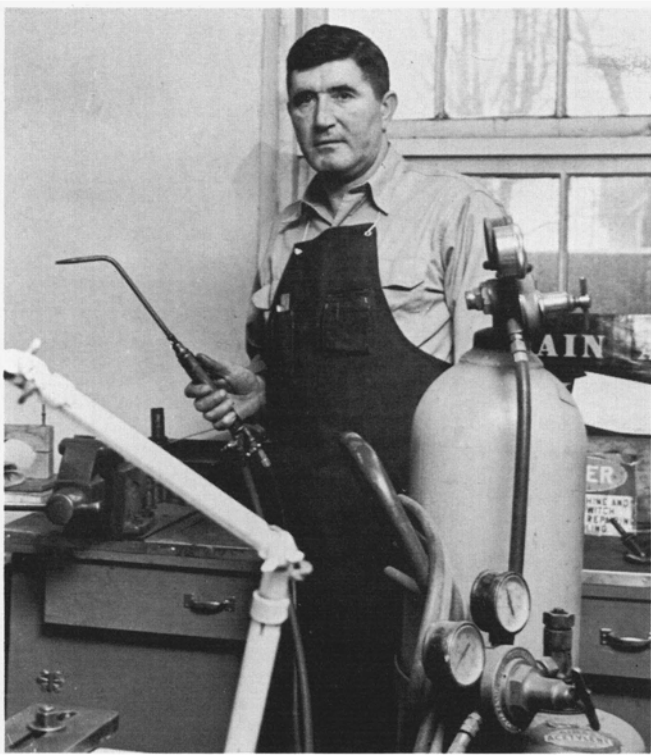

When the larger eastern universities still were without instruction in the science of engineering, our founder, Henry S. Lehr, had the remarkable foresight to include a course of surveying in his normal school. This was in the early 1870's. Today the College of Engineering has its own building, with a great deal of practical, but expensive, equipment. Future engineers are able to prepare for civil, electrical, or mechanical engineering in a world which desperately needs well trained persons in those fields.

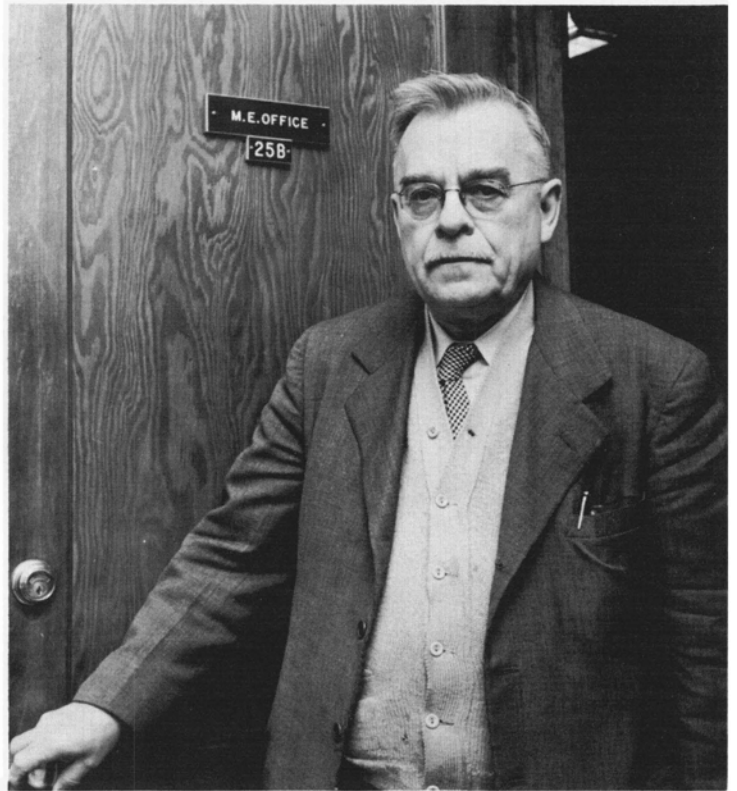

James L. Klingenger, B.S.E.E., (Ohio Northern), M.S. (Ohio State), P.E. (Ohio) 1949; Robert H. Nau, B.S.E.E. (Iowa State), M.S.E.E. (Texas), E.E. (Iowa State), P.E. (Illinois), (California), (Ohio) 1955; Carrol R. Alden, B.S.E.E., B.S.E.E. (Ohio Northern), M.E. (Detroit Institute of Technology), P.E. (Ohio), 1955.

Dukes Memorial, located at the south end of the campus, contains the College of Pharmacy and the Department of Chemistry.

## COLLEGE OF PHARMACY

The College of Pharmacy had its beginning in the department of science and in the shortlived school of medicine. It was founded in 1884 and was the second pharmacy school in Ohio. Although the work of a pharmacist is difficult and exact, it is a field which attracts many students. Dukes building, the home of the Pharmacy College, is a place of preparation for many future pharmacists.

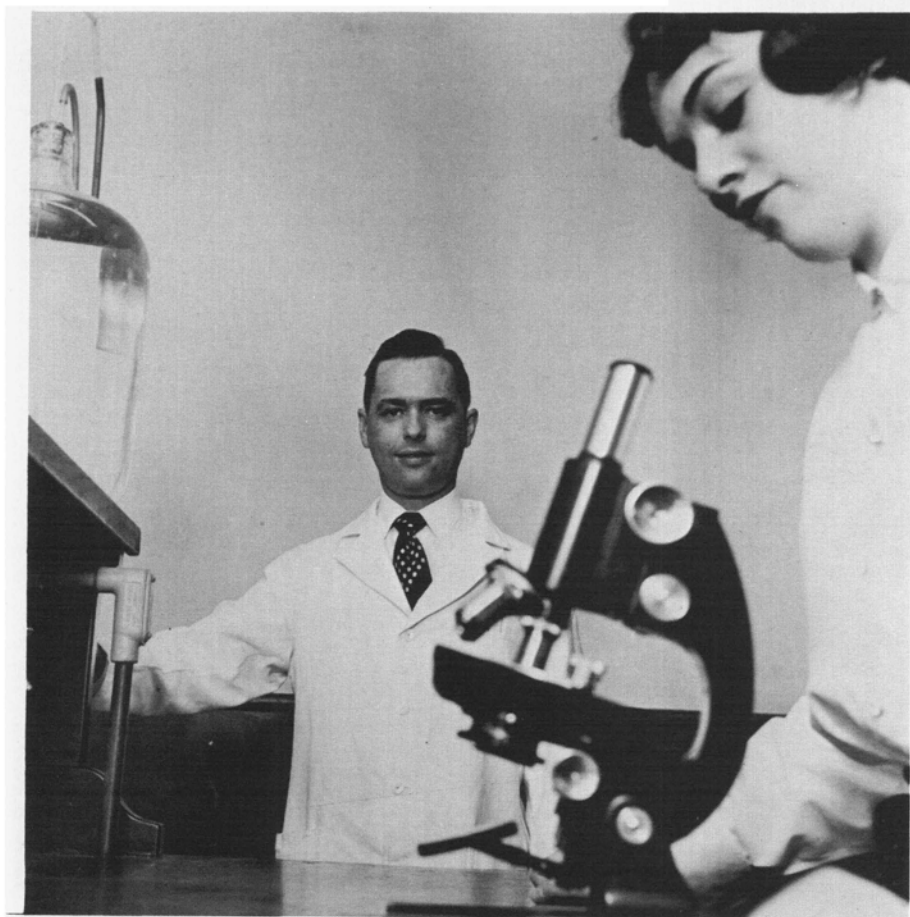

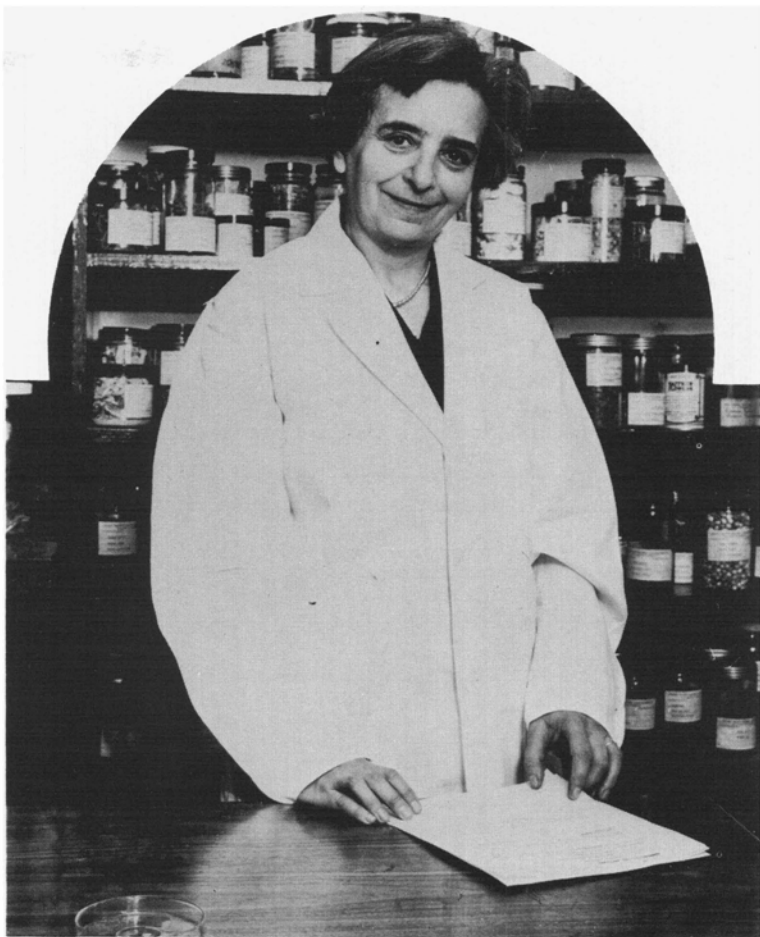

Albert Charles Smith, B.S. in Phar. (Ohio State), M.S., Ph.D. (Purdue), 1944

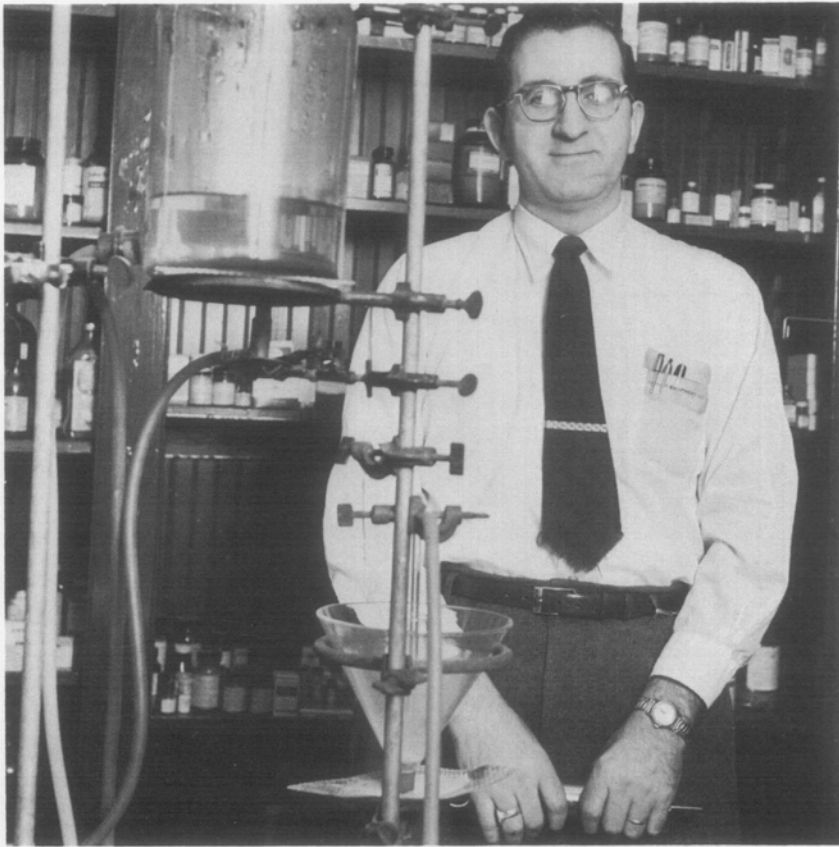

The average citizen has a respectful attitude toward the "miracle" medicines and vaccines which have saved the lives of many, but the pharmacist comes to know these same drugs as trusted tools. Courses to prepare the future pharmacist for every phase of their chosen profession are available at Ohio Northern. These classroom studies are supplemented with the pharmacy trips to manufacturing laboratories where they may increase their more formal learning.

The Ohio Northern College of Pharmacy is a member of the American Association of Colleges of Pharmacy and is accredited by the Council on Pharmaceutical Education of the American Pharmaceutical Association. The curriculum is designed to train the student for the practice of retail pharmacy, and to qualify them to enter related fields.

Lehr Building serves as the nerve center of the campus. For prospective students it provides the expert counselling service so very important when beginning a college career. From William Hughes, Ralph Polluck and Eldon Nonnamaker comes the impetus in the search for qualified students and the spreading of much Northern publicity.

## STAFF

Bill Hughes and Eldon Nonnamaker, joint Directors of Admissions, have done a fine job in selecting and counselling students for entry to the University. Enrollment at Northern continues to grow through their efforts.

The University library, fully equipped for the students needs, is found to be a perfect setting to get studying done.

## STUDENT CENTER

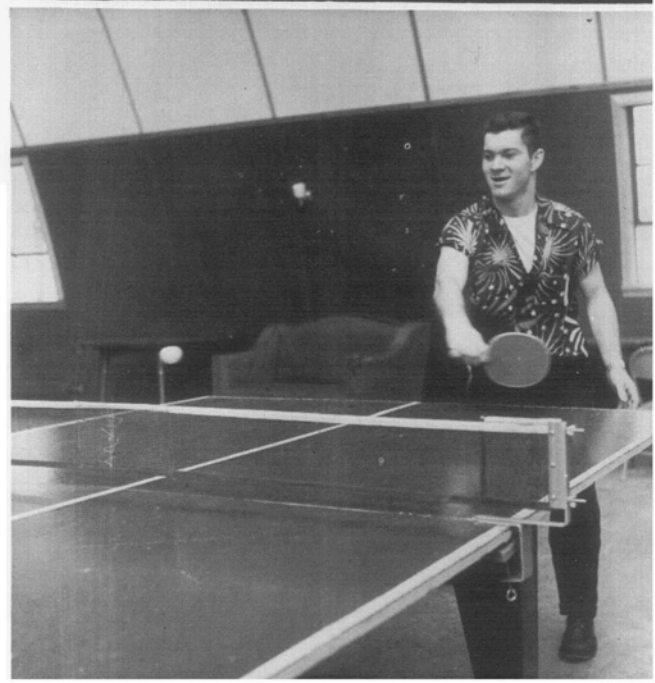

The Student Center offers room for recreation in the forms of ping-pong, billiards, and television. Many of the all-campus dances are also held here. Besides the many recreational facilities, this student rendezvous provides a snack bar for the convenience of both students and faculty. The sororities, in addition to holding their rush parties and dances, also have chapter rooms on the top floor of the Center.

The Women's Dormitory is a modern, fire-proof, brick construction which was completed in 1951. There are accommodations for one hundred women. The dormitory unit includes a lounge, dining room, kitchen, and laundry facilities. The second floor corridors are delegated to the members of the three sororities and independents while most freshmen girls receive first floor accommodations. Mrs. Strahlem and Mrs. Morris, the housemothers, hold the stern but loving hand over the girls.

## 16 ELECTED TO WHO'S WHO

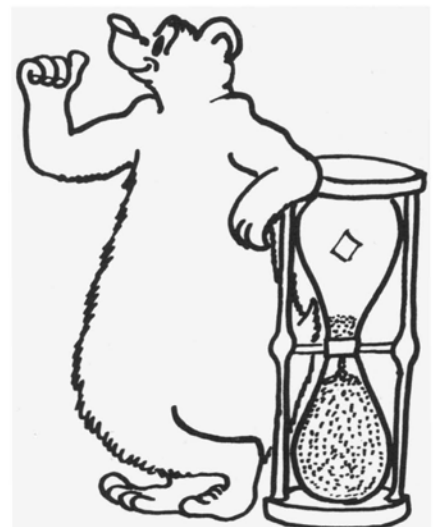

Each year a group of outstanding students are selected to represent Ohio Northern in the annual volume "Who's Who Among Students in American Colleges and Universities." Nominations are made through the combined efforts of the administration and the Student Council on the basis of scholarship, participation in extra-curricular activities, leadership on the college campus, and promise of future usefulness. All four colleges are represented in the 1956 nominations with one from law, four from liberal arts, five from engineering, and six from pharmacy.

# SENIOR CLASS OFFICERS

*First Row: S. Moore, Treasurer; B. Yehl, Vice President; R. Mayberry, Secretary. Second Row: B. Cavendish, President.*

The sands of time did slowly  
pass,  
Only a few grains remain in  
the glass.  
All there is to learn, we  
know,  
So out into the world we must  
go.  
The fun we had, the noise  
we made,  
And still we seemed to make  
the grade.  
As now we pass from those  
years of fun,  
Alas we realize our work  
has just begun.

The Student Council is the governing body of Ohio Northern University. The Council meets every Tuesday evening in Brown building, and the meetings are open to everyone.

The members of the Student Council are elected at the end of Winter Quarter and take office at the beginning of Spring Quarter. Four representatives are elected from the colleges of Law, Pharmacy, Liberal Arts, and Engineering, and four representatives-at-large are elected.

The Council, working through the social deans, attempts to alleviate any problems that arise between the students and the administration. On the social side, Council plans and supervises the festivities of Homecoming and May Day.

# POLICY BOARD

The Policy Board is a board established for the purpose of determining what are to be considered student activities and what allocations shall be set aside from the Student Activity Fund in support of these student activities. The Policy Board is set up jointly by the Student Council and faculty of the university, each body having equal representation on the board. The representatives of the Student Council are elected by the Student Council; those of the faculty by the faculty. The president of the university is the chairman of the Policy Board.

Recommendations for the allocation of money from the Student Activity Fund may arise in the Student Council or in the faculty or from any group considered a student organization. These recommendations are carried to the Policy Board for consideration and possible allocation.

Activities supported by the Student Activity Fund this past year include: Student Council programs, intramurals, and the publication of the *Annual* and the *Northern Review*.

Marty Conroy, Jim Clouse, and Joe Harrod talk over some recommendations to be taken before the Policy Board.

# BOARD OF GOVERNORS

## OFFICERS:

*Chairman*  
*Secretary*  
*Business Manager*

Lee Lewis  
Gayle Inskeep  
Phil Gray

The Board of Governors is the guiding force of the Student Center. It consists of seven members—four students, elected by the Student Council, the Dean of Women, the Dean of Men, and the Treasurer of the University.

The Board controls the five-dollar Student Union fee, and determines how it is to be distributed. The Board also set up the rules for the Union, and acts as a judicial body to impose infringements upon groups or organizations who misuse any of the facilities of the Union.

Bill Breting, Gayle Inskeep, Dean Clark, Lee Lewis, and Phil Gray discuss improvements for the Student Center.

## ELECTIONS COMMITTEE

The elections committee is responsible for the conduct of all elections which are sponsored by the Student Council. In the past year they supervised the elections of the Student Council, Class Officers, Homecoming Queen, and May Day Queen and her court.

The committee prepares the rules which will govern the elections, checks all the nominating petitions, supervises the balloting and is responsible for the counting of all of the ballots that are cast. The counting of the ballots is done by the committee with one of the personnel deans to insure that there is no irregularity in the voting.

Peeter Mannik, John Works, Martha Conroy, Brian Boltz.

## COUNCIL'S STANDING COMMITTEES

### ATHLETIC COMMITTEE

The Athletic Council plans and officiates the flagpole rush between the freshmen and sophomores at Homecoming. It also plans, in conjunction with the faculty members of the Council, the schedules for intercollegiate sports.

Jean Des Combes, Sherrill Andrews, Richard Fitch, James Brown.

Don Hawkins, Ward Johnson, Norman Riggs.

## RELIGIOUS COUNCIL

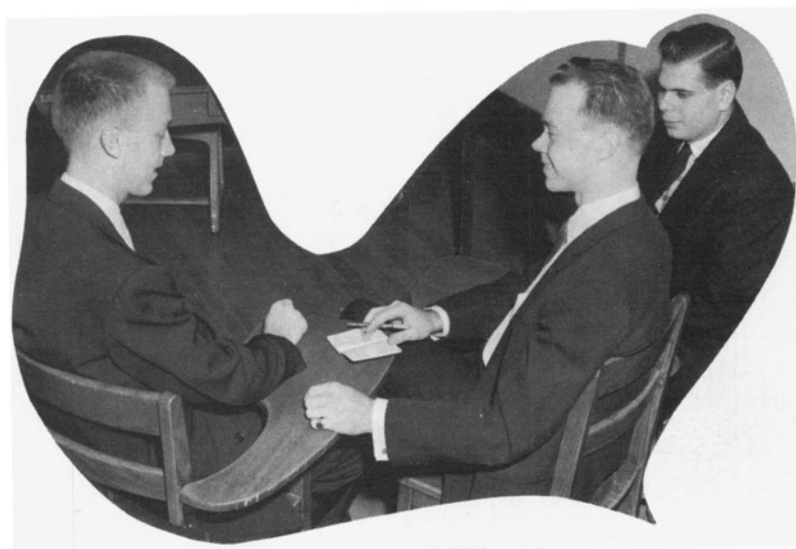

The Religious Council consists of both student and faculty members. The duties of the Council consist of planning programs for the Wednesday chapel service and obtaining a prominent speaker for "Religion in Life Week." Dr. Moorehead of Columbus was the speaker for this year's "Religion in Life Week."

Joe Smallwood, Glenn Ernsberger, Larry Friedman.

## ASSEMBLY COUNCIL

The Assembly Council is made up of students and faculty members. Its function is to plan and schedule all Monday assembly programs. The council aimed to arrange a variety of programs that would be of interest to everyone.

Some of the outstanding programs of this year were the band and choir programs, the Engineers' Week program, the Law College's Mock Trial, and the faculty and student talent shows.

## STUDENT ACTIVITY COUNCIL

The Student Activity Council is composed of five student members and six members of the faculty. It is responsible for the broad and general supervision of the many student activities on campus. The committee is responsible for the appointment of the editors and business managers of such publications as the Northern Annual and the Northern Review. Some of the other interests of this committee include intra-murals, student parking, student publications, charity drive and student discipline and welfare.

One important phase of this committee is the general consideration of the student-faculty relations. The Council offers a sounding board for the ideas of the students and does much to present the point of view of the student to the administration. An example of this was the recommendation that the students be excused from school on the day after Easter.

Dean Clark, Brian Boltz, John Works, Lowell Lut, Jim Clouse, Peg Grimm.

## FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is a national organization, the purpose of which is to build for the students a better understanding of business; how it operates, its philosophy, ideals and procedures and the requirements for its personnel. These purposes are accomplished through speakers, panel discussions, films, machine demonstrations and field trips. The organization undertakes to develop the social graces of its members through attendance of plays, concerts, school activities, and the various social programs scheduled among the group's activities. During each year the group entertains at its regular meetings, the business and professional people of Ada, the high school Future Business Leaders in our area, and the business students of the near-by colleges. Each spring the organizations prints an annual publication the F.B.L.A. Reporter.

# ALPHA PHI GAMMA

Alpha Phi Gamma, honorary co-educational journalistic fraternity, was founded at Ohio Northern December 11, 1919. The purpose of this fraternity according to its constitution is "... to recognize individual ability and achievement in journalistic pursuits in colleges and universities; to serve and promote the welfare of the college through journalism; to establish cordial relationships between the students and members of the profession, and to unite in a fraternal with congenial students interested in journalism."

Active membership is given students who have served on the university publications for a minimum of three quarters. Only students in the upper two-thirds of the institution are eligible for membership.

The A. Ph. A. at Ohio Northern is a student branch organization of the American Pharmaceutical Association and was formed in 1949. Membership is open to all pharmacy and pre-pharmacy students who are interested in extending their knowledge of the practical aspects of their chosen profession. Bi-weekly meetings have featured guest speakers from various drug houses, and national and state pharmacy organizations. It is through the A. Ph. A. that a number of improvements in the pharmacy building are made each year. In the past, the student branch has been responsible for the placing of new lights in the building and the painting of a majority of the classrooms and offices. Every quarter the A. Ph. A. publishes its own magazine, the *Ampul*, which has a circulation of over 2200 copies.

The Alpha Upsilon chapter of Phi Delta Chi national pharmacy fraternity is the most recent professional organization on campus. It was founded as the Phi Dex Club and became affiliated with the national Phi Delta Chi fraternity on March 2, 1955.

The purpose of this organization is to advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members.

Phi Delta Chi was founded nationally, November 23, 1883, at the University of Michigan at Ann Arbor. It was then a pharmacy and chemistry fraternity but later evolved into a pharmacy professional fraternity. At the present time there are 33 active chapters located at Colleges of Pharmacy throughout the United States.

The Junior Bar Association of Ohio Northern University was organized on this campus in 1933. In August 1953, the local group joined the National American Law Student Association. Among the many activities sponsored by the Junior Bar during the past year were the Annual Spring Banquet and the Barristers' Ball, the law students' yearly formal. The Junior Bar also held coffee and cake socials, at which various legal dignitaries spoke.

The purpose of the Pre-Law Club is to develop a greater understanding of the legal profession among those students who plan to enter law school. The club has made various field trips to neighboring communities to observe court room procedure and become more familiar with law proceedings.

# LES AVOCATS

The aim of Les Avocats is to improve the speaking ability of the members. At weekly dinner meetings, two members are called upon to give short impromptu speeches. Following these speeches, two prepared speeches are given on a wide variety of topics. Following delivery, the speeches are constructively criticized for choice of topic, delivery, articulation, and the like. Each year field trips are taken to various cities to observe law in action.

## DELTA THETA PHI

The Marshall Senate of Delta Theta Phi law fraternity is in its forty-sixth successful year at Ohio Northern University. The objectives of the fraternity are to unite fraternally students of law, to lead them to high scholarship and legal learning, and to surround them with an environment of legal traditions. In the furtherance of these objectives the fraternity sponsors speakers from the various fields of the legal profession including judges, practicing attorneys and legislators.

The members visit court rooms to gain a first hand observation of court proceedings.

At the last national convention, the Marshall Senate was cited for ranking third scholastically among the numerous Delta Theta Phi Senates. The fraternity is proud to have three of its members serving on the student council; John Works, Don Hawkins and James Clouse, the latter is serving his second term as president of that body.

## SIGMA DELTA KAPPA

The Omicron Chapter of Sigma Delta Kappa National law Fraternity is an established and much respected organization on the campus of Ohio Northern University. As our constitution best states, "... our purpose is to promote the interests of our law school and to this end we strive in every honorable way to aid and assist our brothers, guarding their interest as carefully as we do our own."

The continued life and prosperity of the Si Deks was assured during the current year by the quality and character of its pledges.

The outstanding event of the Fraternity year was the visit of the Grand President to the campus of Ohio Northern. His journey from Chattanooga to Ada served as a stimulating gesture for both the officers and members.

# ENGINEER'S EXECUTIVE COMMITTEE

The Engineer's Executive Committee has been organized this year in the Engineering College to replace the Engineer's Joint Council. The function of this group is to act for the Engineers in engineering activities, such as; arranging for Engineer's Week, planning dances and banquets, and planning engineering field trips. These four students, who make up the Executive committee, are the presidents of the four technical societies in the engineering college, the American Society of Civil Engineers, the American Institute of Electrical Engineers, the American Society of Mechanical Engineers, and the Ohio Society of Professional Engineers. The Executive Committee not only plans Engineering activities, but meets with faculty members of the Engineering college to present student problems and questions.

The Student Chapter of the Ohio Society of Professional Engineers embraces all departments of the College of Engineering. The purpose of this organization is to stimulate professional thinking among all engineering students through social contacts, fellowship, and cooperation, to promote interest and understanding, and maintain the ideals of the

engineering profession.

Speakers, movies, and discussions in the monthly meetings deal with the professional standards, code of ethics, and the individual's place in the advancement of the profession.

The Chapter takes an active part in the Engineers' Week and is represented in the O.S.P.E. Student Council.

The Ohio Northern Engineers' Speakers Association was founded by nine engineering students during the Spring Quarter of 1935, and was "dedicated to their and succeeding members forensic ability in extempore."

Dinner meetings are held bi-weekly where one prepared speech and two impromptu speeches are delivered. The members then offer constructive criticism to each of the speakers. By these activities, the members are striving to gain confidence and poise in speaking before a group.

## OHIO NORTHERN ENGINEERS' SPEAKERS ASSOCIATION

### A. S. M. E.

After an absence of several years, the Ohio Northern Student Branch of the American Society of Mechanical Engineers was reactivated during the Spring Quarter, 1955. The original charter was granted in 1922.

The purpose of the student branch is to acquaint the students with the theory and practice of mechanical engineering, and give them the opportunity to become acquainted with the personnel and activities of the society as well as to promote a professional consciousness and fellowship.

The meetings, which are of a technical nature, consist of technical reports and the showing of movies and slides. In addition, members of the student branch attend meetings of the Toledo Section A.S.M.E. and participate in inspection trips.

# A. S. C. E.

The Ohio Northern Student Chapter of the American Society of Civil Engineers, one of the older organizations on the campus, supplements the regular class and laboratory work and provides for its members the opportunity for the beginnings of professional associations.

All civil engineering students are eligible for membership. Meetings are held monthly, with guest speakers or programs of a technical nature. Activities of the society include participation in Engineer's Week, field trips to various engineering works, and attendance at the North Central Conference of A.S.C.E. Chapters. The Toledo Section of the A.S.C.E. is the parent group for the student chapter. Close contact between the parent group and the student chapter is maintained with the help of contact members and by attendance of Toledo Section meetings by student members.

# A. I. E. E.

This year marks the forty-third anniversary for the Ohio Northern branch of the American Institute of Electrical Engineers. The Ohio Northern branch is a member of an organization which encompasses the entire western hemisphere with almost 150 student branches and over 100 senior professional sections. Being the oldest branch of a national technical society on campus, its members are brought together to discuss problems of mutual interest in their chosen field. The society meets once a month and presents programs of various types to supplement the material offered in the regular curriculum. The programs which consist of movies, technical reports, outside speakers and inspection tours are designed to give to the student an advanced insight in the practical field of electrical engineering in its many and varied forms. Some of the year's outstanding activities are participation in national engineers week; annual joint meeting with the Lima Section of the senior A.I.E.E.; off campus inspection tour; and an outing in the spring.

Nu Theta Kappa, honorary engineering fraternity, was organized at Ohio Northern in 1915. It is the aim of the fraternity to foster a high standard in academic work in the College in addition to active participation in other College and University activities. The fraternity gives recognition to engineering students who have excelled in these categories.

Eligible for election to membership is the sophomore with the highest academic standing providing he has an accumulative point average of 3.0. Also eligible are third quarter juniors and all seniors who maintain an accumulative point average of at least 2.7. In order to promote a high standard for scholarship in the freshman class the society each fall, awards an Engineer's Handbook to the returning sophomore with the highest academic standing.

The Ohio Northern Amateur Radio Club is a reactivation of the former Northern Radio Club. The organization provides practical experience in radio operation to supplement the theory presented in the classroom. The club has its own separate building from which its amateur radio station operates and where all meetings are held. The basic aim of all members is to acquire an amateur radio operators license and put Northern on the amateur radio map. Code practice sessions and informal radio fundamental classes are held regularly to prepare the members for taking the federal exam necessary to obtain a license. Membership is open to all persons interested in ham radio.

The Ohio Northern Industrial Arts Club was organized in 1948 for all students majoring or minoring in the field of Industrial Arts Education and for students who plan to enter industrial supervision.

The objectives set forth in the constitution of the Industrial Arts Club embodies the promotion of wide interests in the profession; to provide an opportunity for the exchange of ideas and opinions, and to enable the prospective teacher to become fully acquainted with the field he expects to enter.

Club meetings are held once every month of the academic school year. The meetings serve to unite all students of the department for the purpose of planning extracurricular ac-

tivities in the several areas of the industrial arts field. Immediately following the business session of each meeting various types of programs are planned to meet the interests of the group. Appropriate films are shown, speakers are engaged to express their views on professional and industrial topics, and visits to industries constitute some of the activities of the club. Many of the club members are also members of the Midwestern Ohio Industrial Arts Teachers Association which they also attend once each month during the school year.

Professor Kain and Professor Lowman act as sponsors and advisers of the club.

The O.N.U. Chess Club was started in 1954 and is the newest organization on the campus. In 1955 a trophy was awarded to the winning chess team in the tournament between the independents, fraternities and faculty. With a membership of twenty-three, it is considered one of the largest chess clubs of its type. Tournaments are played with other chess clubs throughout Ohio.

The Newman Club attempts to provide a nucleus around which Roman Catholic students living on a non-Catholic campus may gather and share the spiritual, intellectual and social fruits of their chosen faith.

Marriage, as a sacrament, a legal contract and a life-long vocation was the subject for this year's discussion meetings. Everything from the "American dating system" to the high cost of living was covered, if not thoroughly, at least enthusiastically.

Father Sweitzer, Pastor of *Our Lady of Lourdes Church* in Ada, acts as moderator of the young group and advisor of the club.

Last winter, the Newman Club sponsored a dinner-dance for the Catholic students and their dates. In the spring of this year, the annual retreat was again held in the parish church for the spiritual benefit of the club's members.

The Upper-room Fellowship consists of those students who are preparing for full-time professional service in the field of religion. The group also is for those students who are preparing for work in religious fields other than the pastorate. The group consists of future missionary workers, pastors, welfare-workers, and other religious professions.

The group meets regularly for devotional services and the discussion of religious and practical problems of the students.

# WESLEY FELLOWSHIP

The Wesley Fellowship, although affiliated with the Methodist Church, welcomes students of all denominations.

The organization meets every Sunday evening to promote fellowship and to increase understanding of Christian ideals.

The goals are to bind Christian young people closer together as they strive toward the same high ideals.

During the year several outstanding professors on campus spoke to the group and led group discussions, relating their field with Christianity. The year's calendar also included speakers from off campus.

On the social side this year, the group held a swimming party, hayride, and skating party.

The Dukes A.C. was organized in 1950 by a group of independent men for the purpose of participation in the intramural program and has since become a social organization as well. It has an impressive record in the independent league

in all intramural sports. The large majority of members has earned varsity letters in at least one major sport. The club emphasizes sportsmanship, healthful living, moral discrimination, and mental efficiency.

## “N”MEN ASSOCIATION

The “N” Men is a select group of winners of Varsity Awards. Members of this club function in many ways for the good of the school. Yearly the members initiate the theme for May Day floats and construct the float for the King and Queen. The club has used some of the proceeds of their concession stand to help the band acquire new uniforms. Another project this year is aimed toward purchasing a trampoline for the betterment of the facilities at the gym. We have felt it necessary to augment the program of Phys. Ed. and the

trampoline will fill the bill. Every program that has incorporated one of these fascinating pieces of apparatus has made a tremendous hit with the students. We think it will be just the ticket to perk up the average student’s appetite for gym classes.

Senior members and Officers are awarded Orange and Black blazers as a token of appreciation for faithful service to the club. In addition, members are presented with lifetime passes for all Ohio Northern University athletic events.

## WOMEN'S ATHLETIC ASSOCIATION

The purpose of the Women's Athletic Association is to promote interest in sports and gymnastic activities as a means of creating physical efficiency, athletic accomplishment, scholarship, and good sportsmanship.

The program of the W.A.A. includes the regular intramural events, class teams, sorority teams, and independent teams in most major, intermediate, and minor sports, and a varsity basketball team. Trophies and awards are given the winning teams of each sport. Members may also earn letters, sweaters, and blankets for points earned in the activities.

This year for the first time volleyball and basketball sports days were introduced to Northern.

The Ohio Northern Psychological Association has made steady progress since its organization two years ago and has grown to become one of the most outstanding groups on campus.

Membership in the association is open to all students of the University who are interested in the pursuit of knowledge in the realm of psychology.

The aim of the organization is to provide a group to which students interested in psychology may refer for the pursuit of extra-curricular activities in the field and secure the cooperation of authorities not connected with Ohio Northern, promote psychological research at the University, and meet as a body for the purpose of correlating their theoretical and objective conclusions.

This is the second year for the Amicas on the Ohio Northern campus. It is based on democratic principles and membership is open to all independent women on the campus. This group tries to provide fellowship through various activities for all non-sorority women.

In the fall of 1955 we were represented at Homecoming with our candidate, Donna Morrison, as an attendant.

In athletics we provided strong opposition for the volleyball championship and in other sports too.

Our social season included a Christmas party in the Girls' Dormitory Lounge with Christmas carol singing, a musical chair gift exchange, and refreshments.

The Amicas are looking forward to a successful future.

The Future Teachers of America has six main purposes. The first is to develop among young people who are preparing to be teachers an organization which shall be an integral part of state and national education associations. Another is to acquaint teachers in training with the history, ethics, and program of the organized teaching profession. To give them practical experience in working together in a democratic way, and to interest the best young men and women in education as a career are two more purposes. The last ones are to encourage careful selection of persons admitted to schools which prepare teachers, and to seek through the dissemination of information and through higher standards of preparation to bring teacher supply and demand into a reasonable balance.

The Association of Women Students is an organization open to every woman attending the university, the purpose of which is to promote the spirit of unity and fellowship among the women of Ohio Northern University. Activities of the group are planned by the legislative board composed of the officers and representatives from each class.

An A. W. S. tea started the year off for the Freshmen women. Everyone got acquainted and the purpose of the A.W.S. was explained. The winter quarter included a formal dance and a leadership dinner in honor of members who held officers in campus organizations. In the spring, a farewell dinner was given in honor of the senior members.

The chorus-choir of Ohio Northern has been very busy this year. The sixty voice choir, under the direction of Dr. Karl A. Roider, gave concerts in different cities through the state of Ohio and also in Chicago.

The first concert of the year was given in the First Methodist church of Wauseon, Ohio. The annual Choral Cabaret was presented in Taft gymnasium on December 9. The theme this year was "Holiday Lodge." Other concerts were given in Edgerton, Hicksville, and Harrod, Ohio.

The tour this year took the chorus-choir to the great city of Chicago. The choir spent four wonderful days in April singing concerts in churches, temples, and doing radio programs. This proved to be a wonderful experience for every member of the choir, especially those who had never been in Chicago before.

The last program of the year was the spring concert. This concert was presented out-of-doors on the steps of Presser in May.

The University goes carolling.

Joanna Geist, Nancy Hammond, Grace Shoemaker, and Barb Brian prepare for one of the outstanding numbers to be presented at the Choral Cabaret.

The band, under the direction of Professor Tony Salatino, has had a very successful season. Since arriving on Northern's campus in the fall of '55, Prof. Salatino has completely revamped the band. He has doubled the membership of the marching and concert bands, organized a student dance band, the Northmen, and has been the driving force behind the campaign for new band uniforms. Some of the benefits held, in conjunction with Student Council, I.F.C. and Pan-Hell, to raise funds for the uniforms have been a dance, a carnival and a band concert at which Professor Salatino dedicated his original composition "Fantasia Fantastique" to Ohio Northern University.

*Below:* The band welcomes alumni at half-time Homecoming ceremonies. *At Right:* Jim Mougey displays the new band uniform.

Kappa Kappa Psi, national honorary band fraternity, was first established at Ohio Northern in 1923 and was recently reactivated in the spring of 1954. The purpose of the fraternity is to recognize outstanding members of the instrumental groups on campus. The members of the local chapter,

under the leadership of president Ward Johnson, assist Professor Salatino with administrative details, such as the planning of field formations, the caring for rehearsal equipment, and the launching of the band improvement progress.

## NORTHERN PLAYER'S

Membership in Northern Players, the dramatic organization of Ohio Northern, is open to any student who is academically qualified and who has an interest in participating in theater arts. Each quarter the Players present one three-act play and several minor productions. The 1955-56 officers are: President, Dave Huntsman; Vice-President, Phil Gray; Secretary, Anne Larocco; Treasurer, Jan Parkinson. Doyle Smith, professor of Dramatics, serves as advisor for the group.

*First Row:* J. Parkinson, D. Huntsman, A. Larocco. *Second Row:* G. Hughes, C. Cordner, S. Dye, B. Weintz, J. Vlad. *Third Row:* L. Lewis, R. Coates, W. Phillips, H. Schmitz, R. Ports, R. Court, G. Nichols. *Fourth Row:* J. Hoyt, R. Starling, D. Funk, R. Phillips, J. Moore.

Theta Alpha Phi pledges, Martin Fabian, Ralph Starling, Jim Hoyt, and Phil Gray go over a script for presentation for the active members.

Theta Alpha Phi, national honorary dramatic fraternity, is the highest honor Ohio Northern has to offer a student interested in dramatics. To be eligible for membership a student must have participated in two major and two minor productions and must be voted upon by the members. Sue Dye, Carol Cordner, Anne Larocco, and Bette Jeanne Weintz hold the offices of president, vice president, secretary, and treasurer.

## THETA ALPHA PHI

*First Row:* B. Weintz, S. Dye, L. Lewis, C. Cordner. *Second Row:* A. Larocco, R. Philips, D. Court, G. Hughes.

## NORTHERN PLAYERS BANQUET

"This is your life, Bill Allman."

The second annual spring banquet sponsored jointly by the Northern Players and Theta Alpha Phi was both a celebration of the presentation of awards for outstanding work in the productions of the year and also a farewell to William Allman. The evening was filled with many surprises but climaxed by the presentation of "This Is Your Life, Bill Allman." Friends and relatives who had the greatest influence on his life were invited to take part in presenting his life.

College Inn is scene of Northern Players Banquet.

# "TWELFTH NIGHT"

The production "Twelfth Night" was presented on the 5th, 6th, and 7th of May.

*Right: "If music be the fruit of love, play on . . ."*

*Bottom Right: Gus McAnaney, John Gourley, and Jim Kuhn portrayed excellent comedy roles.*

The spring production of "Twelfth Night" was a light comedy very well accepted by all who attended. The set, designed by Ralph Starling, was done in levels using not only the stage but also a portion of the auditorium. Jim Kuhn, John Gourley, and Gus McAnaney "kept the audience in stitches" by their excellent comedy portrayals. Good performances were turned in by Margy Campbell, Willard Cummings, Phil Gray, Lee Lewis, and Bill Moore in the major roles of the production.

Sheridan Whiteside advises the Stanley's daughter to run off with an anarchist.

## "THE MAN WHO CAME TO DINNER"

To start a new year of dramatics, under a new director Doyle Smith, the Northern Players presented the Broadway hit of a few years back "The Man Who Came To Dinner." The play was a comedy from start to finish. Martin Fabian was acclaimed for his part as Sheridan Whiteside. Bette Jeanne Weintz and Dave Huntsman had the romantic leads. There were many bit comedy roles which were very excellently portrayed. The set was in very modern decor.

"From the kedive of Egypt. What did you send him, Grant's Tomb?"

"A penguin bit me" brought the second act to a riotous conclusion.

The tension in many of the scenes built up to the point where actual flights took place.

Director Doyle Smith tells the cast to *live* their parts!

Mail call illustrates one of the lighter moments of the play.

In the winter quarter play, Director Smith chose "Stalag 17." It was a very interesting combination of comedy and drama. The setting was in a German prisoner of war camp. In order to use the stage to its fullest capacity the curtain was not used, instead complete black outs brought the acts to a close. The roles of the hero, Sefton, and the villain, Price, were taken by Richard Mahn and Philip Gray respectively. The play drew an audience of over a 1,000 for the three nights of its performance.

Alpha Sigma Phi fraternity was founded at Yale University on December 6, 1845, and is a charter member of the National Inter-Fraternity Council. On this campus the Alpha Sigs have dual distinction of being both the second oldest group and the youngest chapter, its predecessor being founded here on March 1, 1910, and Gamma Alpha Chapter being chartered on January 17, 1942.

The Sigs have been active during the past year in practically all campus activities, especially journalistic, dramatic, athletic, and musical. In intramurals the brotherhood tied for the 1955 All-Sports trophy, and are high in the running for the 1956 honors. Members have won positions in the starting line-ups of Northern's football, basketball and baseball teams. Sigs have distinguished themselves as: Presidents of the Choir, Ohio Northern Psychological Association, Alpha Phi Gamma, honorary journalism fraternity, "N" Men's

Association and Future Business Leaders of America; Editor of the Northern Review; plus leads and an assistant directorship of this year's Northern Players Productions.

In the past year many additions and repairs have been made to the Cardinal and Stone house on Gilbert Street. The downstairs has been completely redecorated. Among the additions have been the acquisition of a TV set and "Sig," our part Dalmatian mascot, who is fast becoming a familiar figure on this campus.

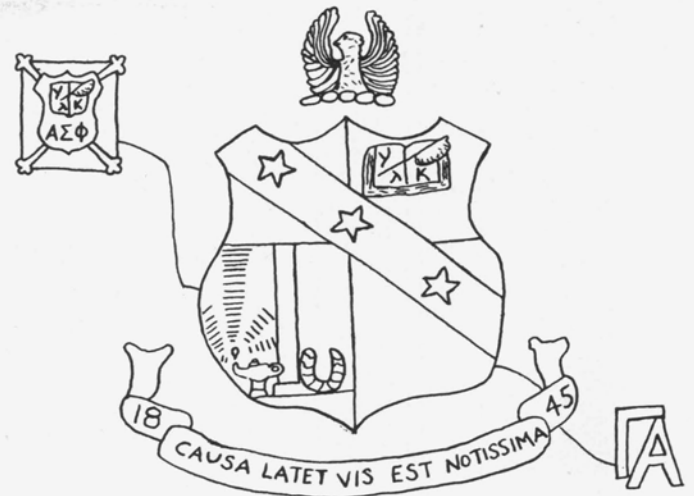

Membership of Alpha Sigma Phi numbers 37 active brothers and 18 pledges, but at the time of publication our membership should number 50 or more. Faculty members of the fraternity include Marvin English and Barney Poole of the Physical Education Department and Tony Salatino of the music department, plus Deans Emeritus Raabe and Smull of the pharmacy and engineering colleges.

Alpha Eta of Delta Sigma Phi was established on the campus of Ohio Northern University in 1920. Since that time we have endeavored at all times to support the efforts of the University to educate and train the members in their chosen field. We have also striven to furnish for our members close fellowship with other good Christian men and to establish a relationship of harmony and cooperation between them so that their cultural and professional education may be supplemented by training in the qualifications of citizenship and leadership which are not directly part of the University function. This policy of training and service for the individual as a supplement to that which he receives from the University a direct result of our concept of the fraternity as a co-operative service organization, has enabled us to become both a scholastic and social power on campus.

Among the many functions of fraternity life are highlighted the intramural sports program and social events

which continue throughout the school year. The Delta Sigs have been very successful in the sports picture of the past and the future promises to be ever more successful. Our social program is headed in popularity by our annual Sailor's Ball, Bowery Brawl, Winter Formal and, most popular of all, the Delta Sig Spring Formal.

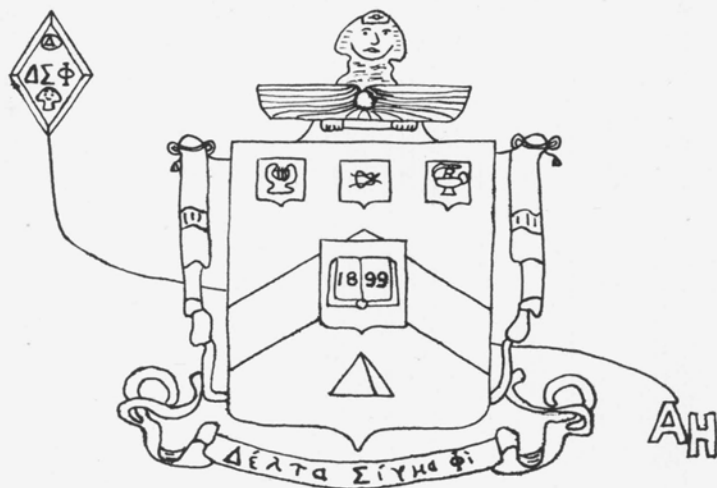

Although the year is not over, we might consider it a very successful year if nothing more happened. In November, 1955, the "Big White House on the Corner" was struck by a disastrous fire. The cost of restoration amounted to \$14,000. Upon returning from Christmas vacation we were more than amazed to find revealed before us a completely re-decorated and modernized interior of the entire house. The credit goes to Brother Lawrence Archer, Dean of the College of Engineering and his wife, Betty, who, through a well co-ordinated program of planning and supervision, performed a wondrous task. We are all very proud of our new home.

Kappa Psi Pharmaceutical Fraternity was founded in 1897 and for 36 years Gamma Delta has been an active chapter here at Ohio Northern. Kappa Psi leads in number of alumni when compared with other pharmaceutical fraternities throughout the country. Nationally Kappa Psi is a sponsor of many academic awards for students working on the development of pharmacy, and is prominent among the leaders of the various pharmaceutical organizations. Gamma Delta, always remaining on or near the top of the intramural athletic league, shared top honors for the all sports trophy last year. On the professional front Gamma Delta sponsors each year during national pharmacy week an assembly program, numerous displays, and an all pharmacy dance attended

also by all pre-pharmacy students.

During the year each class and the pledge class present a dance or some type of social function which is climaxed by the Spring Formal held at Indian Lake.

Last year Kappa Psi was very prominent in campus politics having Brothers holding offices in the A.Ph.A., student council, Sophomore and Junior classes. All 4 offices of the Junior class are held by Brothers of Kappa Psi.

Dean of the College of Pharmacy, Dean Smith and Professor Jongeward are active members of Gamma Delta and Dean Emeritus Rudolph Raabe, a charter member, also remain active in the activities of Gamma Delta.

Phi Mu Delta's social season got off to a good start with a "Kick Off Dance." Following this there were two more dances during fall quarter. In the winter quarter we had a very successful pledge dance. Also during winter quarter we obtained a house-mother for weekends. The spring formal was held at Clemen's in Lima.

Phi Mu Delta won homecoming decorations with our theme of "Polar Bears Feast on Pioneers."

Three men were elected to Who's Who, Larry Schaufelberger, Glenn Ernsberger, and Peeter Mannik. We also won six seats on the student council.

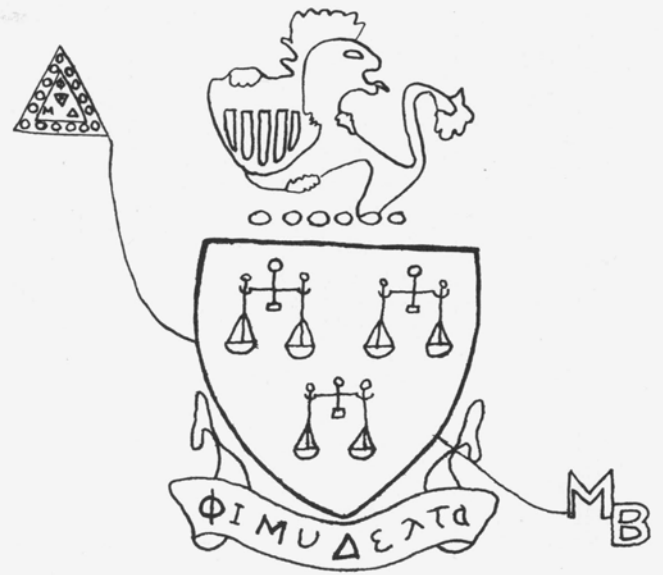

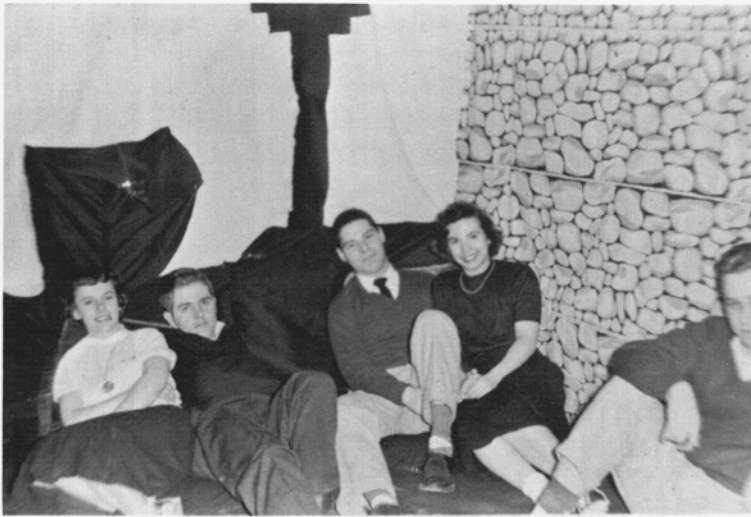

We pledged 20 men during the year.

Sigma Pi fraternity had its modest beginning at a modest institution. It came into existence through the spontaneous desire of a few kindred souls to give expression to a genuine spirit of true fraternalism. That beginning was on the campus of Vincennes University at Vincennes, Indiana, on February 26, 1897. Since then Sigma Pi has grown into one of the larger national fraternities.

Zeta chapter was founded at Ohio Northern University on June 1, 1912, and has since continued an active existence

here at Northern. Zeta has always participated in every form of scholastic, social, and athletic activity. For two years in a row the fraternity has gone unbeaten and has successfully completed its quest for the all-campus football crown. Our biggest social event of the year is our annual Orchid Ball held each Spring. This dance highlights an always successful social year for Sigma Pi on Northern's campus. In February the fraternity's roster included seventeen active members and nine pledges.

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. Ohio Alpha Chapter at Ohio Northern University was founded on February 18, 1905. The chapter house at 821 South Gilbert Street was built in 1916-17 by the brothers themselves, also it was the first fraternity house built as such in the state of Ohio.

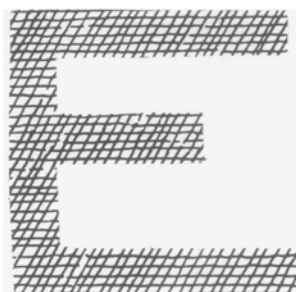

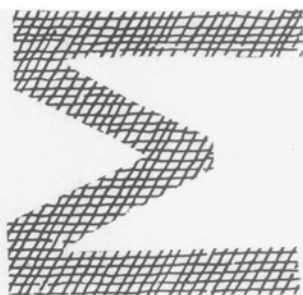

Nationally Sigma Phi Epsilon is tied for the second largest social fraternity in number of chapters with 137 chapters and over 48,000 alumni and active members. The Sig Eps are the largest nationally and the oldest continually active fraternity on this campus.

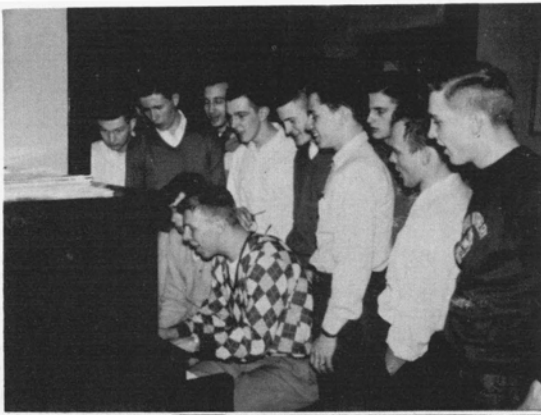

The Ohio Northern chapter has initiated 765 members since its inception. Faculty members include Dr. Wilfred Binkley, Dr. Matthias Schmitz, Professor Robert Bowden, Mr. Ralph Pollock, Mr. Eldon Nonnamaker, and Mr. William Hughes.

As in previous years, Theta Kappa Phi entered into its thirty-second year on the Ohio Northern Campus with an active Brotherhood and pledge class. Homecoming, the scene of many happy Alumni reunions, initiated an active social calendar, which included the pledge Valentine's Day dance, the annual Turtle Hop, numerous house dances, and climaxing with the Spring Formal. Zeta also played host to the Tri-Chapter Meet with the other province chapters. Sports ability was not lacking as Zeta teams were close to the top in football, volleyball, and basketball. The "House on Irish Hill" was represented in many campus organizations. Professor Vincent Immel of the College of Law serves as our Faculty Chapter Advisor, while the Reverend Francis X. Schwietzer is our Religious Advisor. Zeta has an active membership of twenty-two Brothers, one social member, and ten pledges.

The Alpha Chapter of Phi Chi was founded in 1909. In 1929 all sororities were banned from the campus, and it was not until 1933 that they were reorganized.

Last Spring the Phi Chi's won Greek Sing and the Markle all-campus Greek Scholarship Trophy. This Fall they won Greek Skit Night by rendering a parody on "The Christmas Carol," and the rotating scholarship trophy.

Opening the social season of the year, the Phi Chi's held a "Heavenly Hop" in honor of the Freshmen. The Rush Party was held at the Melrose Plantation in the "Deep South." Following the Winter Formal the pledges climaxed the social season by entertaining the actives at the annual Gypsy Dance.

The Phi Chi's actively participate in all campus activities including intramural sports, choir, and Student Council.

Tau Kappa Kappa, the oldest sorority on campus, was organized by a small group of Ohio Northern girls in 1900. Since its organization, it has made rapid progress in all phases of college life.

To begin the social calendar for the year the TKK's welcomed the freshmen with a dance, "Shock Hop." Following this the season was celebrated with a party for the actives, pledges, and their dates at the home of our advisor, Mrs. A.

C. Smith. Mrs. Smith is celebrating her eleventh year as advisor to the TK's.

This year's rush party, "House of the Twenties," proved very successful, gaining seven new pledges for the TK's. Next on the agenda was the winter formal, having "Stairway to the Stars" as its theme. Following this were a pledge dance, a Mardi Gras dance, and finally the annual Pirate Dance, which brought the TK's social season to a close.

Theta Phi Delta was introduced to the campus in 1909. For 15 years, the Theta's maintained an active existence. Then, in 1924, all sororities were compelled to disband if they would not become nationally affiliated.

When the University relented in 1933, Theta Phi Delta was the first sorority to return to campus. Today, with over 400 alumni scattered throughout the country, the Theta's are still maintaining scholarship and social standards that were established almost 40 years ago.

For the fourth year in a row Theta's have won the May Day Float trophy. Last spring's theme was Cinderella. Theta candidate for Queen, Mary Shaffer, was elected May Day Queen and Sherrill Andrews received the honor of Freshmen Attendant. To climax the successful spring season, the schol-

arship trophy was received for top quarter work.

Fall quarter began with the "Fall Frolic" to which the Freshmen were honored guests. The flurry of Homecoming was even more exciting as Theta Candidate, Sherrill Andrews, became Homecoming Queen. A Fall and Winter Fashion Show with the theme "Perfume Parade" was presented as the annual rush party. Following rushing, fourteen Freshmen girls donned pledge pins.

The winter formal carried through the theme "Theta's in Underwater Fantasy." The Ada City Hall was the scene of this occasion, and the Northmen provided the music. Winter quarter was brought to a close with the pledge dance, "Campus Capers."

Fall quarter 1955 found another new group of Freshmen arriving at Ohio Northern, and soon after Freshman Week had begun the traditional orange and black made itself known again through the beanies and handbooks of the new Freshmen.

During the Freshman Week, the President's home was the scene of a tea which gave the Freshmen women an opportunity to become acquainted with President McIntosh, Dean McCracken and other faculty members.

The Freshman talent show gave the new students a chance to display their various talents, and upperclassmen on hand for the event were pleased to see the great amount of talent present in the new Freshman class.

As is the custom, in addition to the wearing of their beanies,

Freshmen talk over the tea at the President's home.

the Freshmen were also expected to live up to the "Freshman Traditions," which they found stated in their new handbooks. Violators of these rules soon found themselves in Freshman Court, where trial was held for them and appropriate penalties were meted out to those found guilty.

According to tradition the Freshmen must continue to wear their beanies and to abide by all the rules until Thanksgiving vacation unless they are victorious in the flagpole rush at Homecoming. This year the new "Frosh" proved too strong for their Sophomore opposition in the flagpole rush, so at Homecoming the Class of '59 finally removed their beanies, put away their handbooks and settle down to regular campus life.

An upper-classman advises two new freshmen.

## DR. CLARK RETIRES AS CHAIRMAN OF THE BOARD OF TRUSTEES

On December 2, a dinner was held in honor of Dr. John H. Clark, graduate of Ohio Northern's College of Law and member of the Board of Trustees. A scroll of appreciation was presented to the retiring Dr. Clark by President McIntosh on behalf of the University. Dr. Clark has been a member of the Board of Trustees for fifty years and for fourteen years acted as Chairman of the Board.

At the annual meeting of the Board of Trustees, John V. Melick was named to succeed Dr. Clark as chairman. Dr. Clark was voted honorary chairman and president emeritus, and although he has retired from his post as chairman he continues as a member of the Board.

At the same meeting plans for the development program were discussed and the Board ratified the new campus layout including the site for Lima Hall, the new dormitory for men. Also considered by the Board was a recent \$500,000 donation to the University's endowment fund. A goal of \$1,500,000 has been set for greater campus development.

One of the most popular traditions on Northern's campus is the election of a Queen to reign over the Homecoming festivities. This year the student body chose for Queen, Sherrill Andrews, the Theta Phi Delta Candidate. Members of her royal court were Nancy Moeller, Phi Chi Candidate; Lillian Hung, Tau Kappa Kappa candidate; and Donna Morrison, Independent Candidate.

Activities of Homecoming 1955 were begun on Friday October 28, with the traditional Freshman-Sophomore flagpole rush, which was held at the rear of Taft gym. After the battle the victorious Freshmen were allowed to dispose of the beanies which they had been obliged to wear since the beginning of Fall quarter.

At 7:30 in the evening the Ohio Northern marching band led the student body in a parade to the field behind Taft gym where the cheerleaders led the students in a pep rally around a huge confire which had been built by the freshmen.

*Below:* The cheerleaders, around the bonfire, lead the pep rally.

Following the pep rally an all-campus dance was held at the Student Center. Music for the dance was provided by the Northmen, Ohio Northern's newly-formed dance band.

The annual Greek push-mobile competition, scheduled for ten o'clock Saturday morning was cancelled due to rain, much to the disappointment of the students.

Phi Mu Delta's winning house decorations. In spite of rain which damaged the decorations to some extent, the Phi Mu's managed to bring home the trophy with their theme of "Bears Feast On Pioneers."

Greek house decorations were judged at 11:00. Phi Mu Delta received first prize and Sigma Phi Epsilon, second.

Groundbreaking ceremonies for Lima Hall, the new men's dormitory, were held at 1:30 in Lehr Auditorium.

The rain, that had been falling earlier, stopped in time for the Polar Bear-Marietta game which was played that afternoon at Memorial Park Field.

Just before the game President F. Bringle McIntosh announced that an anonymous contribution had boosted the University's endowment fund by one-half million dollars.

During half-time of the game the Homecoming Queen and her royal court were presented and Queen Sherrill Andrews was crowned by Student Council President, Jim Clouse.

The game between the Polar-Bears and the Marietta Pioneers proved to be a thrilling experience for the Northern fans as they watched the Northern gridgers win the game 19-0.

Homecoming, 1955, ended Saturday evening with the traditional Homecoming dance which was held in Taft gym. Howdy Gorman's "Ohio-Staters" provided the music as Northern alumni, students and faculty danced away the remaining hours of Homecoming, 1955.

Second place in the house decoration competition was won by Sigma Phi Epsilon.

Just before the ONU-Marietta game on Homecoming afternoon President F. Bringle McIntosh announced the contribution of more than a half-million dollars in securities to the University's endowment fund. The benefactors asked that they not be identified at this time. Dr. McIntosh stated that this contribution boosts Ohio Northern University's endowment fund to almost a million and a half dollars.

*Above:* President McIntosh, at the Homecoming game, announces the new contribution to the endowment fund. At the left of the President is Dr. J. H. Clark, member of the Ohio Northern Board of Trustees. On the President's right is Ralph Booker, national chairman of the ONU development program.

## HOMECOMING

On Homecoming afternoon, groundbreaking ceremonies for Lima Hall, the new men's dormitory were held. Because of rain the ceremonies, originally scheduled to be held at the site of the new dormitory, were held instead in Lehr Auditorium. Participating in the ceremonies were Ralph Booker of St. Louis, national chairman of the ONU development program; Dr. Mathias Schmitz, faculty director of the program; Dr. F. Bringle McIntosh, President of the University; and Herbert Doughty, of Lima, fund drive chairman. During the ceremonies Mr. Booker expressed his deep appreciation for the Lima merchants and citizens who are supporting Ohio Northern University and its development program.

Forced inside by rain, four officials "break ground" for Lima Hall. Participating in the ceremonies are Ralph Booker, Mathias Schmitz, President McIntosh, and Herbert Doughty.

The annual Choral Cabaret was presented this year for the eighth time by the Ohio Northern University Choir, under the direction of Dr. Roider. The Cabaret was held on December 9 and the theme chosen this year was "Holiday Lodge."

The festivities began with dancing featuring the music of the Northmen. At intermission the choir presented a choral program with a wide variety of music featuring such holiday numbers as "Twas the Night Before Christmas." The proceeds of Choral Cabaret are used to finance the annual tour which the choir makes in the spring.

This year on January 20, Northern's fraternity men and their dates danced to the music of Buddy Morrow and his Mercury recording dance orchestra at the annual Intra-Fraternity Ball. The IFC Ball is a closed dance for Greeks only, and every year each of the various fraternities on campus chooses a candidate for queen of this formal dance. This year Miss Peggy Davis, Alpha Sigma Phi's candidate, was selected by Buddy Morrow and the members of his band to reign as Queen of the 1956 Intra-Fraternity Ball.

# GREEK SING

Again this year the various sororities and fraternities competed in the annual Greek Sing. Competition was held in Lehr Auditorium. Each of the organizations entered in the contest sang two songs, a required number selected by the Pan-Hellenic Council and the Intra-Fraternity Council and also a song of their own selection. This year the fraternity trophy was won by the Phi Mu Delta's with "River of No Return." The sorority trophy was won by the Phi Chi's with "The Donkey Serenade."

Three sororities and the Phi Mu Delta and Alpha Sigma Phi fraternities were the only participants this year.

May Day, 1955, again heralded the coming of spring to the campus of Ohio Northern, and students put down their books to celebrate the holiday.

The May Day royalty was chosen by the student body after a week of intensive campaigning by the various campus groups in behalf of their candidates. When the votes were counted Mary Shaffer, Theta Phi Delta sorority, and Mart Mannik, Phi Mu Delta fraternity, were named to reign over the festivities of the day. Chosen as the Queen's attendants were Nancy Moeller, junior; Jane Kistler-McAnaney, sophomore; and Sherrill Andrews, freshman.

May Day dawned bright and clear, which gave the holiday an even more festive air. At two in the afternoon, spectators lined along Main Street watched a spectacular parade of floats and various marching bands. This year's theme for the floats was "Fairy Tales," and trophies were presented for the best entries. Winner in the sorority float competition was Theta Phi Delta, whose entry depicted "Cinderella." Theta Kappa Phi received the trophy for the best fraternity entry with their theme of "Hansel and Gretel."

Following the parade, coronation took place, and the King and Queen and the royal court were officially acknowledged.

May Day, 1955, was brought to a fitting close in the evening with Queen Mary and King 'Mart reigning over the annual May Day semi-formal dance in Taft gym.

## TAFT GYM

Taft Gymnasium, named in honor of John H. Taft, contains the main basketball court with its galleries and bleachers, having a seating capacity of 1,800. In addition there are a volleyball court, two auxiliary playing courts, a boxing and wrestling room, examination rooms with first-aid equipment, a running track, offices for coaches and members of the Faculty of Physical Education, and the Physical Education classrooms. The cluster lights at the side entrances are the memorial gift of the Class of 1928. The building is erected on ground purchased in part as a memorial gift by the Classes of 1926 and 1927.

Memorial Stadium, which was completed in 1950 and has a seating capacity of approximately 2000, is the setting for the Polar Bear's home games.

Under the leadership of Barney Poole, assisted by Marv English and Clyde Lamb, the 1955 Polar Bears proved to be a promising young ball club, showing marked improvement as the season progressed. Next year Coach Poole will have a number of experienced players returning to the squad, with only four seniors graduating, and should again become a serious contender for the Mid Ohio Conference crown which the Northern Polar Bears held in 1952.

### GRADUATING SENIORS

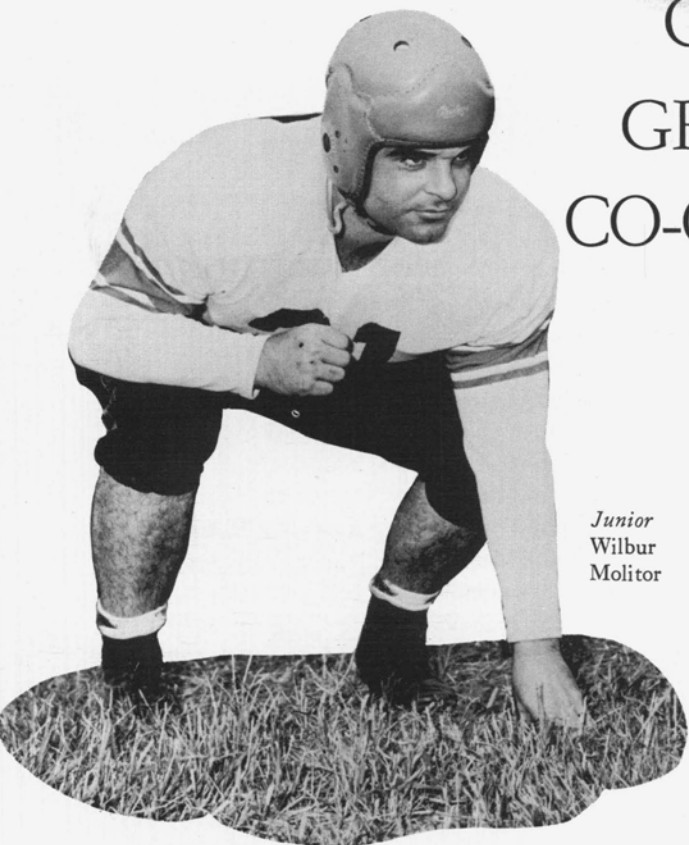

The Polar Bears will miss gradu-  
ating seniors Lec Bowsher, Jim  
Stahl, and Tom Young. Defen-  
sively, Guard Bowsher did a  
terrific job, while backs Stahl and  
Young gained precious yardage  
during the season. Young, be-  
sides being co-captain, led the  
scoring attack in almost every  
game that Northern was able to  
gain touchdowns. Each senior has  
spent all four years on the team  
and will be a great loss.

# FOOTBALL

Although lacking in experience a high spirited and hard fighting O.N.U. eleven hit the gridiron and squeezed out a record of 1 win and 6 losses for 1955. Even though the Bears did not have a very successful season record-wise, we must remember that Northern has a young ball club, with only three seniors, but many lettermen. There was plenty of speed shown in the backfield which can be developed still more for next season. The line also has shown a lot of speed. The biggest difficulty throughout the season seemed to be the pass defense; however, toward the end of the season it showed great improvement and will probably improve more before the start of next season. If conditions keep improving as they have been and all come out that are anticipated to come out next year, Northern should look forward for some good football.

In the season opener against Capitol University, the Polar Bears were setback 27-7. Tom Young scored the only T.D. for Northern shortly after the opening of the second half.

Northern also suffered defeat in the M.O.L. opener against Wilmington. Although a good battle was waged by the Bears, their inexperience showed as Wilmington swept on to 38-0 victory.

Picking up their third straight defeat of the season and second straight league defeat, the Bears were beaten by the Findlay Oilers, 29-0. Northern suffered from the same thing that plagued them all season—inexperience touched off by excessive fumbling. On the first play from scrimmage, Northern fumbled and within the first minute of play the Oilers were in the Bears end zone. The game continued in the same manner throughout. Tom Young seemed to spark Northern offensively

# RUNDOWN

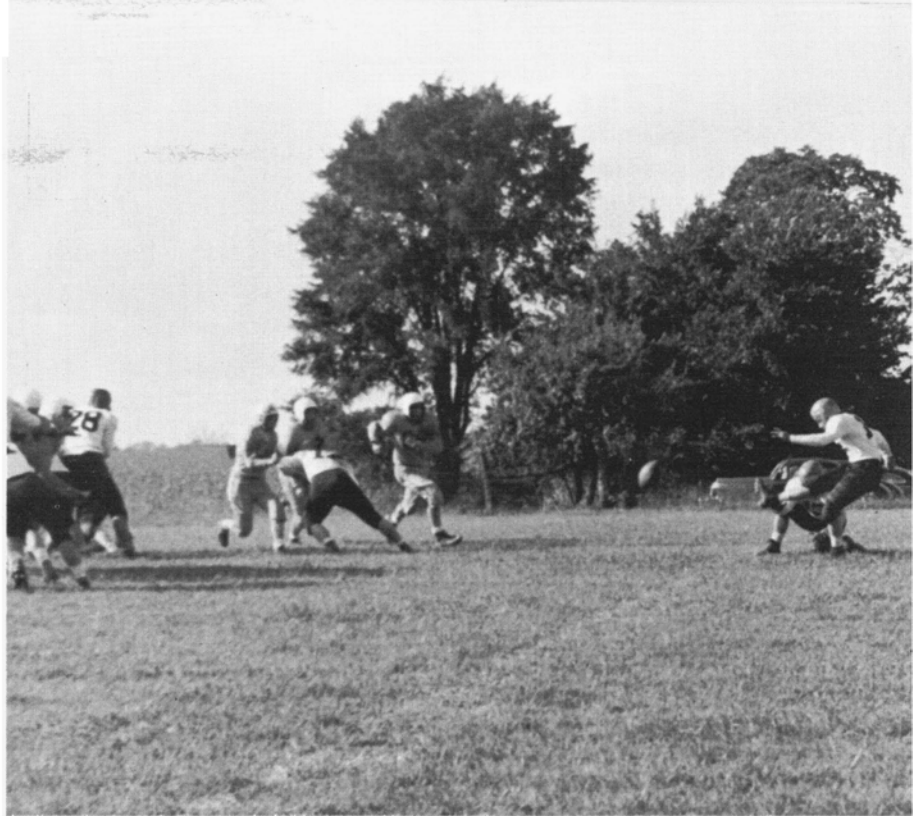

while Jack Weikert and Carl Fulmer gave good showing of themselves defensively.

Even though the Polar Bears fought hard, they were denied victory by Bluffton with a score of 20-6. The Polar Bears completely outplayed Bluffton in the second half and picked up their first score in the fourth quarter. Tom Young did the scoring once again.

A psychological let-down following the recall of their successful crossing of the goal line was the downfall of the Polar Bears as it turned what might have been a close game into a 25-0 game for the Ashland Eagles. Northern seemed to be a match for the experienced Eagles but just couldn't seem to get in scoring position.

Ohio Northern managed to take their first victory of the season before a proud homecoming crowd of 2,000. The Bears downed the Marietta Pioneers 19-0 in a clash that shook the stands. Larry Michael and Jim Stahl spearheaded the attack. Stahl scored twice and Michael set up one touchdown on an interception. All three scores were made on long runs. Stahl ran 21 yards for the first score and 18 yards for the second. Michael's TD was scored on a 45 yard run after he intercepted the ball from the Pioneers' halfback. Tom Young put over one out of the three extra point tries. Victory could have been assured in all games if the teamwork which existed in this game could have prevailed all season. Blocking was outstanding and contributed much to the victory.

Northern suffered defeat once more in the final game of the season against Defiance, but a noted improvement could be seen in the team since the beginning of the season.

Coach Marv English can well be proud of his hardwood squad this year. The Polar Bears played outstanding ball the entire season and lost many of their games by a close margin. Special honor is due these cagers as they set a new record for total points in Taft Gymnasium. The previous high was 120 in 1948. The record was set against Wright-Paterson Air Base as the Polar Bears downed them 126-85.

## WITH 11-9 WON-LOST RECORD

### STATISTICS

The Polar Bears outplayed their opponents all the way this year by scoring 1734 total points to a total of 1604 points by the challengers. Although Northern averaged 86.7 points per game, they ended up in fourth place in the Mid-Ohio League with an 11-7 won-loss record. The team field goal percentage was 40.3 per cent and the free throw average read 64.9.

Northern scored a new record of 126 points on the old Taft hardwood. All the games were nip and tuck through the entire year as close wins and losses fell by the wayside to complete another full year in traditional Northern style.

# BASKETBALL

Completing the season with a record of eleven wins and nine losses the Ohio Northern Polar Bears placed fourth in the Mid-Ohio League. Nine lettermen returned this year to help the Polar Bears in their campaign. Two of these lettermen, Bob Brookhart and Jim Stahl, returned from the army.

Getting off to a good start the Bears trounced Bluffton 86-76 in the season opener. Jim Stahl and Glenn Smith led the way in the scoring column for the Bears with 22 and 15 points respectively. This game was a sure thriller with the lead changing hands eleven times before Northern was able to set a definite lead.

Northern closed out the remainder of the '55 part of the season with a very credible record of three wins and no losses dropping Heidelberg 73-68 and Bethany 111-65.

After remaining idle for two weeks over the holidays, the Bears came back to trample and outclass Giffin by a score of 93-68. Giffin was outplayed from the start and never entered the game.

It was Wilmington College that eliminated Northern from the ranks of the undefeated. Showing considerable height and plenty of spirit, Wilmington overcame a 14 point lead to drop Northern by a final score of 75-73.

Northern suffered their second defeat at the hand of a speedy and powerful Defiance five who were unable to be stopped. The astounding part of this game was that Defiance hit seventy per cent of their shots, something of a phenomenon in basketball. Northern was also riding high as they came back the second half and dropped sixty-six per cent of their shots through the hoop, but the Defiance lead was a little too

# RESUME

much to cut down in such a short time and the game ended 94-75 in favor of Defiance.

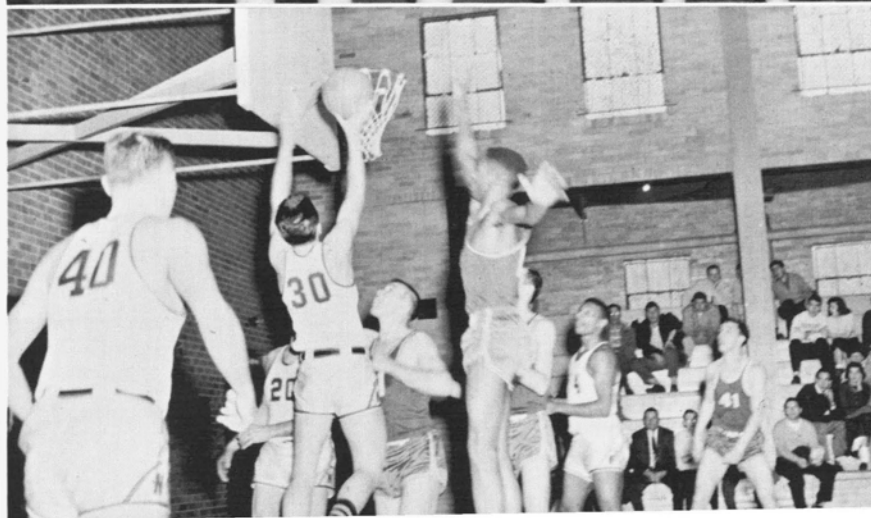

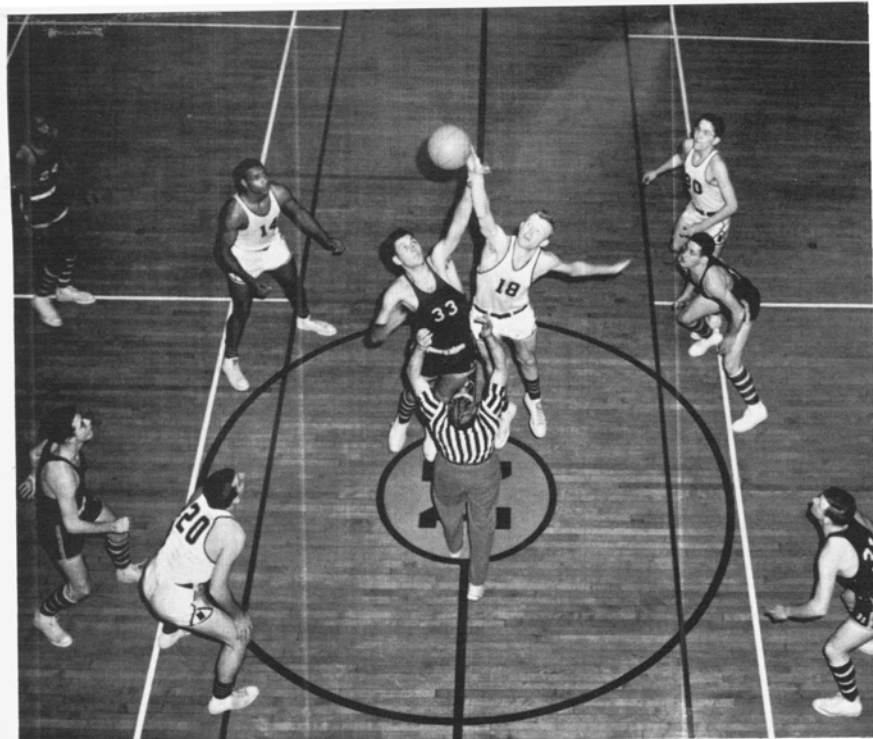

Northern picked up their third straight defeat in seven games when they met Ashland on December 14. The game was lost at the foul lines. Northern outscored Ashland from the field by one goal. Smith and Schmelzer shared scoring honors for Northern with 27 and 20 respectively. This was Northern's third loss in league play giving them a record of 1 win and 4 losses for the M.O.L. The final score was 92-88.

The Ohio Northern Polar Bears picked up its fourth successive loss on January 21, when the Findlay Oilers dropped them 100-89. High scorer for Northern was Glenn Smith with 20 points.

Coming back into the winning column, Ohio Northern smashed an out-classed Cedarville team, 74-56. Merrill Castle and Tracy Love led the way with 18 and 17 points. Glenn Smith played a tremendous game controlling the backboards.

Setting a new record and defeating Ashland College at the same time was the outcome of this game, as Northern trounced Ashland, 104-87. This was the third time the Bears topped 100 this season, which was a new record for them. Ashland got off to a rapid start and held the lead at the first 48-42. In the second half Northern tied the score at 53 all and went on to defeat Ashland 104-87 in the final quarter.

Racking up an all-time record the Ohio Northern Polar Bears wrapped up a powerful Wright-Paterson team, 126-85. Freshman guard Al Williams spearheaded the attack with an average of .866 (13 out of 15 shots) totaling 31 points.

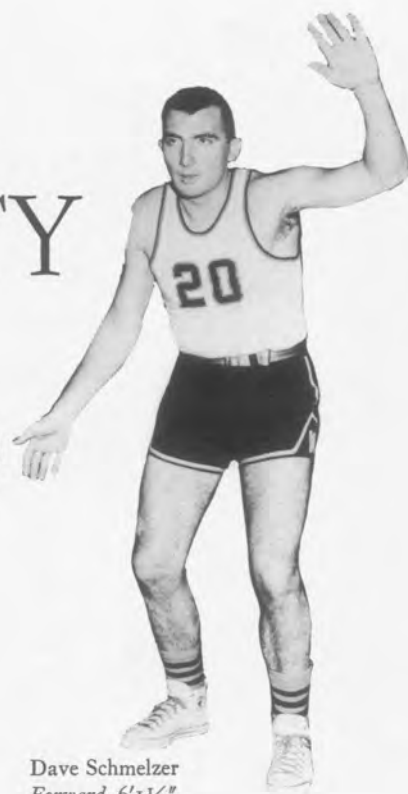

Glenn Smith  
Center, 6'2"  
Cridersville, Ohio  
Senior, Engineering

Glenn is a senior in Engineering this year. "Smitty" copped the crown last year for high point man and repeated this feat again this year with a total of 357 points. Glenn has been a great asset to the team and will be a real loss to the Northern squad.

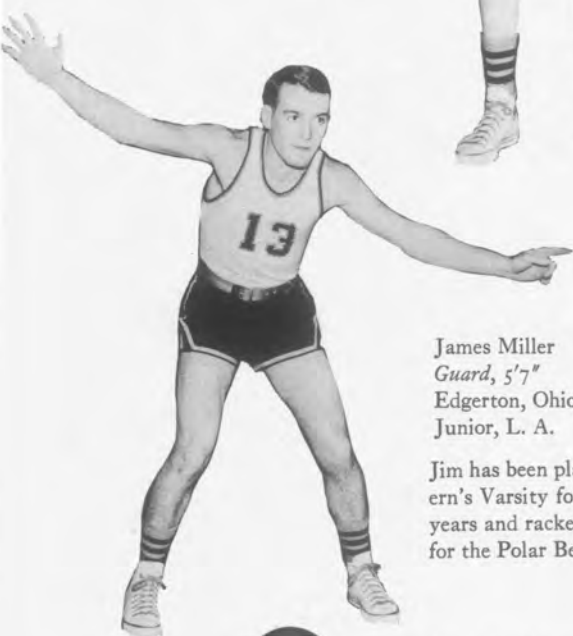

# VARSITY SQUAD 1955-56

Dave Schmelzer  
Forward, 6'1 1/2"  
Delphos, Ohio  
Senior, L. A.

Dave was chosen the most valuable player. He had a total of 228 points, third highest scorer on the team.

James Miller  
Guard, 5'7"  
Edgerton, Ohio  
Junior, L. A.

Jim has been playing on Northern's Varsity for the past three years and racked up 134 points for the Polar Bears this year.

Robert Brookhart  
Center, 6'3"  
Celina, Ohio  
Senior, L. A.

Bob, who in 1952 held the record for rebounds, returned from the service this year to rejoin his teammates.

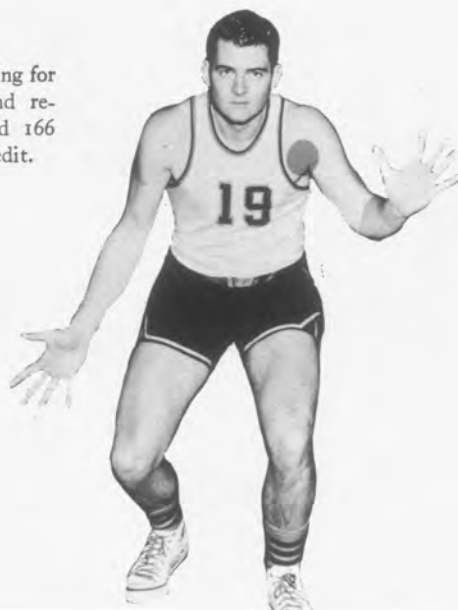

Robert Beam  
Forward, 5'11"  
McComb, Ohio  
Sophomore, Pre-Law

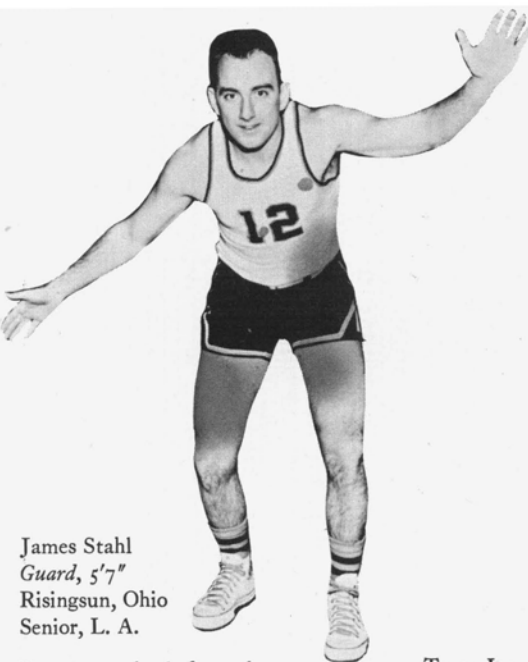

Bob moved up from J. V. ball last year to make the varsity squad.

Donn Wilshaw  
Guard, 6'1"  
Rochester, New York  
Sophomore, L.A.

Donn made a good showing for the squad last year and returned this year to add 166 points to Northern's credit.

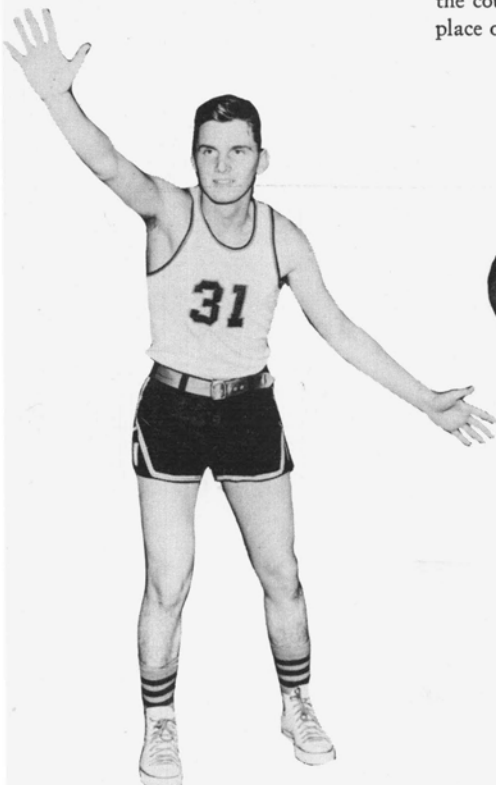

James Stahl  
Guard, 5'7"  
Risingsun, Ohio  
Senior, L. A.

Jimmy was back from the service this year after 2 years to rejoin the team and score 193 points for Northern. He was chosen honorary team captain by his teammates, an honor well deserved by this all-around athlete.

Albert Williams  
Guard, 5'10½"  
Mineral Ridge, Ohio  
Freshman, L. A.

"Bud" was one of two freshmen to make the O.N.U. Varsity squad.

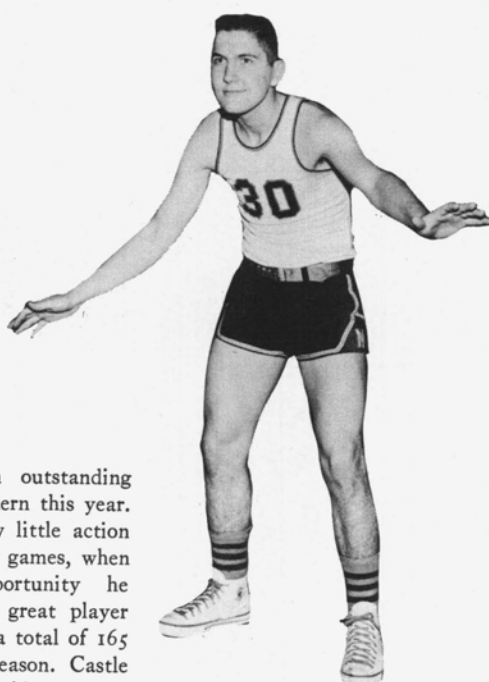

Tracy Love  
Forward, 6'1½"  
Geneva, Ohio  
Junior, Pharmacy

Tracy has been an outstanding forward for Northern for the past three years. This year he was second high in scoring with a total of 260 points for the season.

Larry Michael  
Guard, 5'8"  
Beaverdam, Ohio  
Junior, L. A.

Larry is a three year varsity player and will be returning to the court next year to take his place on the varsity squad.

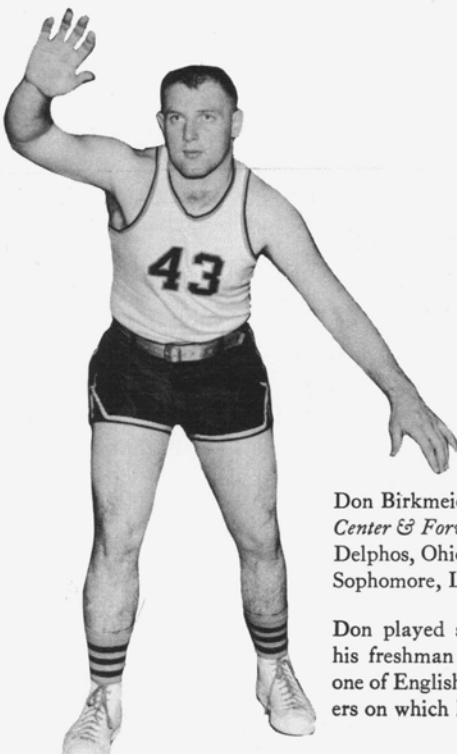

Merrill Castle  
Forward, 6'  
Lima, Ohio  
Freshman, L. A.

Merrill was an outstanding player for Northern this year. Although he saw little action in the beginning games, when given the opportunity he proved to be a great player and chalked up a total of 165 points for the season. Castle looks to be valuable asset to coach, Marv English in the coming years.

William Heitzman  
Forward, 6'2"  
Delphos, Ohio  
Senior, Engineering

Bill has served with the varsity squad for the past four years and will leave with a record in which he can take great pride in.

Don Birkmeier  
Center & Forward, 6'  
Delphos, Ohio  
Sophomore, L. A.

Don played some varsity ball his freshman year and will be one of English's returning players on which he can rely.

## BASEBALL

The Northern baseball season started out in the middle of April at a very slow pace with Northern being defeated in the first four contests. Slugging power was low and Northern was being out-weighted in the scoring column. Determination and team spirit, however, held out as the Polar Bears came back to defeat Cedarville by a score of 4-3 and continued to set the pace by downing Bluffton, then Findlay. Northern became a keen competitor in the M.O.L. league.

The Polar Bears finished the season with a 4-7 record. Hurlers for the diamond crew this year were Ron Evans, Keith Kiggins, Bob Messmore, and Tony Tucci.

## TENNIS

Under the leadership of player-coach Larry Fout the Northern tennis team managed to retain the Mid-Ohio crown which they have been wearing since 1952.

Members of O.N.U.'s Varsity Tennis Team are Leonard Pomeratz, Bruce Hart, Tracy Love, Maurice Pfeiffer, Donn Wilshaw, and Dave Kastens.

The Polar Bears downed Bethany **4-3**, Wilmington, 7-0, and Bluffton, 7-0. Northern suffered their only defeat of the season at the hands of the Bethany netters by a score of 5-2; however, a quick recovery was made by the Bears as they rolled on to take the M.O.L. title.

Even though the Bears ended the season quite successfully they had reason to be sad. Larry Fout and Leonard Pomeratz, who are not only good single players but make a tough duo to beat in doubles competition, graduated in spring.

Larry Fout, senior in pre-medical school served as the coach of the varsity tennis team as well as the star player for the last three of his four years as a varsity player. During last season's matches, Larry went undefeated in singles throughout the season's play and was a strong opponent in the doubles matches. He sparked the team with his outstanding skill and agility on the courts and made a valuable contribution to Northern's standing as Mid-Ohio League Champions since 1952.

## GOLF

Don Shively

Those who comprised the 1955-56 championship golf team were Don Shively, Dan Arnett, Norman Alper, Larry Jimenez, and Morris Spees. Three of these men are returning lettermen from last year. Returnees are Don Shively, Norman Alper, and Dan Arnett.

These men managed to capture, for the sixth straight year, the M.O.L. conference championship, suffering no losses during the entire season. The first two teams that were handed defeats by the Northern Linksmen were Ashland and Heidelberg in the season openers at Ashland and Macomb.

On the fourth of April the golfers traveled to Findlay to defeat the Oilers in a very tight game. April 6, Ashland suffered its second loss to Northern at Macomb to end regular season play.

Junior Varsity was again under the direction of Coach Barney Poole who succeeded in leading his team of Cubs to a 7-7 record for the year.

Junior Varsity ball has become a major part of the sports program at Northern due to the efforts of Barney Poole and the enthusiasm of the players. A total of 14 games in all were played by the Polar Bear Cubs who for the first time had their own cheerleaders.

Hopes run high for the J.V.'s, for these boys are destined to be Northern's Varsity of tomorrow.

# INTRAMURALS

The intramural program is supervised and planned by Barney Poole.

The program consists of two separate leagues; the fraternity and the independent. In the fraternity league all of the frats on campus are in competition with each other. The team with the least amount of losses becomes the fraternity champions. The independent league is run in a similar manner. Play-offs are then held between the two league champs to determine the all-campus champions.

Intramurals provide a great variety of activities for all of the students. In addition to the four common sports—softball, football, volleyball, and basketball—programs have been set up in horse-shoes, table tennis, foul shooting, badminton, track, golf, and bowling.

In most of the activities, rotating trophies are given to the fraternity champs, independent champs, and play-off champs.

During the past years, the girls at Northern have enjoyed the opportunity of playing competitive sports with other colleges and universities. Although these games are played strictly on a social basis and are not organized league play, they bear all the characteristics and competitive skills on the basis of keen competition and quality sportsmanship.

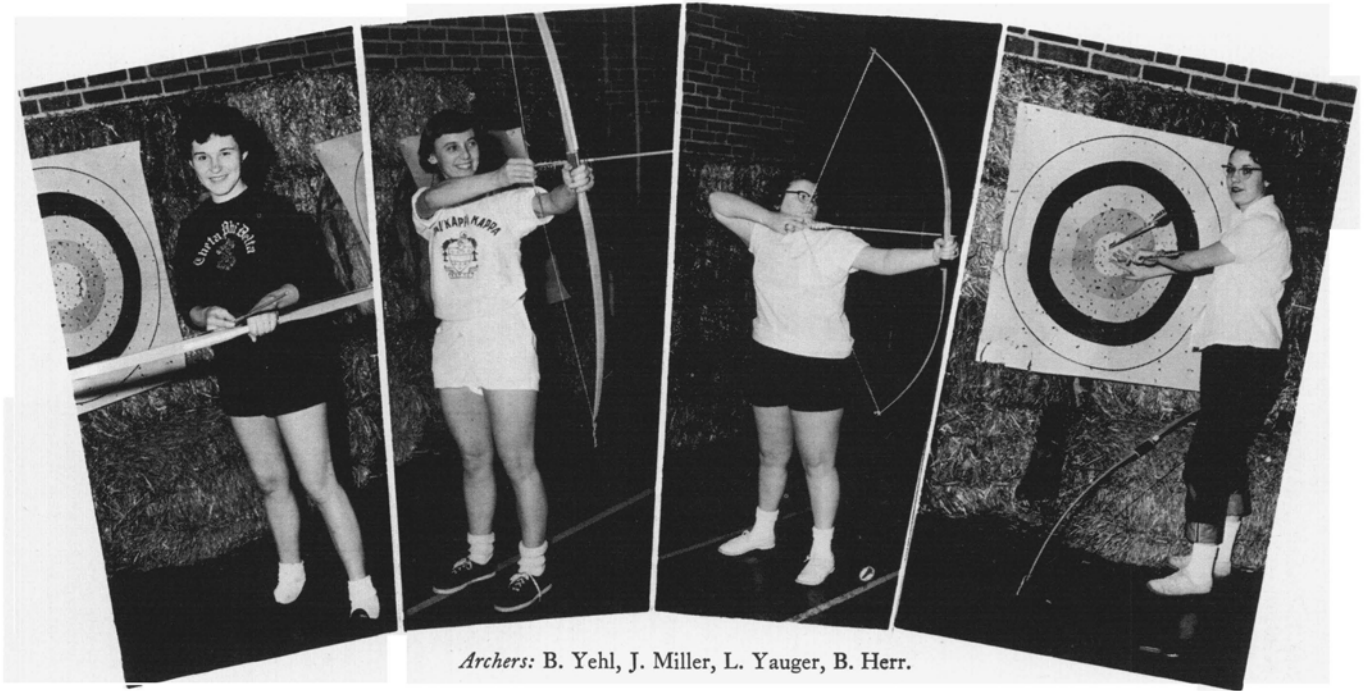

The main varsity sports at Northern for girls have been basketball and softball. During the past years, these two sports have met with vigorous approval from the girls and enthusiasm runs high. Physically and socially varsity sports have served as a needed diversion to campus routine.

# CLASS PROGRAM

*Archers: B. Yehl, J. Miller, L. Yauger, B. Herr.*

## ARCHERY

A diversified program of competitive sports and games is offered by the physical education program now in effect. There is recreation of some sort offered to fit the wants of anyone. Archery, tennis, shuffleboard, badminton, table tennis, swimming, volleyball, basketball and softball are only a few of the activities offered in the classes. Round-robin tournaments in all the singles and doubles sports add enthusiasm to the classes and make a compulsory class a pleasureable playtime.

## WOMEN'S ATHLETIC DIRECTOR MISS RUSSELL

Miss Marion Russell is a new addition to the physical education department this year. She was born in New York City and grew up in Boston, Massachusetts. Miss Russell received her certificate at Bauve'-Boston School of Physical Education and Physical Therapy, B.S. at the University of New Hampshire, and M.S. at the University of Wisconsin. She came to Ohio Northern from the University of Purdue where she was associate Professor in charge of Health Education.

Miss Russell has high goals for the physical education program at Northern. Already she has made vast improvements in the girls facilities by remodeling the girls locker room and purchasing new equipment. "This is only a start towards what I hope to accomplish here," says Miss Russell.

# W. A. A. ACTIVITIES

By in large, the W.A.A. program consists of tournaments which are run every week in correlation with the percentage of girls interested. The groups so arranged are the sororities and the independents. These groups play as independent teams in an organized league. The spring sports for intramural play are table tennis, badminton, and tennis. The fall season sees the appearance of the volleyball tourney, and as winter wears on, basketball takes the spotlight.

The Women's Athletic Association is a student organization designed to promote interest within the feminine gender towards active health recreation. The program established by the WAA is class tournaments in various activities and also tournaments among the various sororities on campus and the independents. Competition

is very keen among these organizations and made even more so by the foreseeable glory of one more golden statuette adding to the glowing luster of someone's trophy case.

Also certain nights are set aside as point nights at which time the girls participate in a variety of games in an attempt to gain points which are credited toward various letters or gifts awarded each year by the WAA to girls on the basis of their activity.

The other functions of this organization are the sponsoring the annual dance review, Greek skit night, and also works in collaboration with other campus organizations in performing University functions.

## CHEERLEADERS

Bette Jeanne Weintz, Janice Miller, Peg Davis, Sherrill Andrews, Connie Ash, Carol Berger

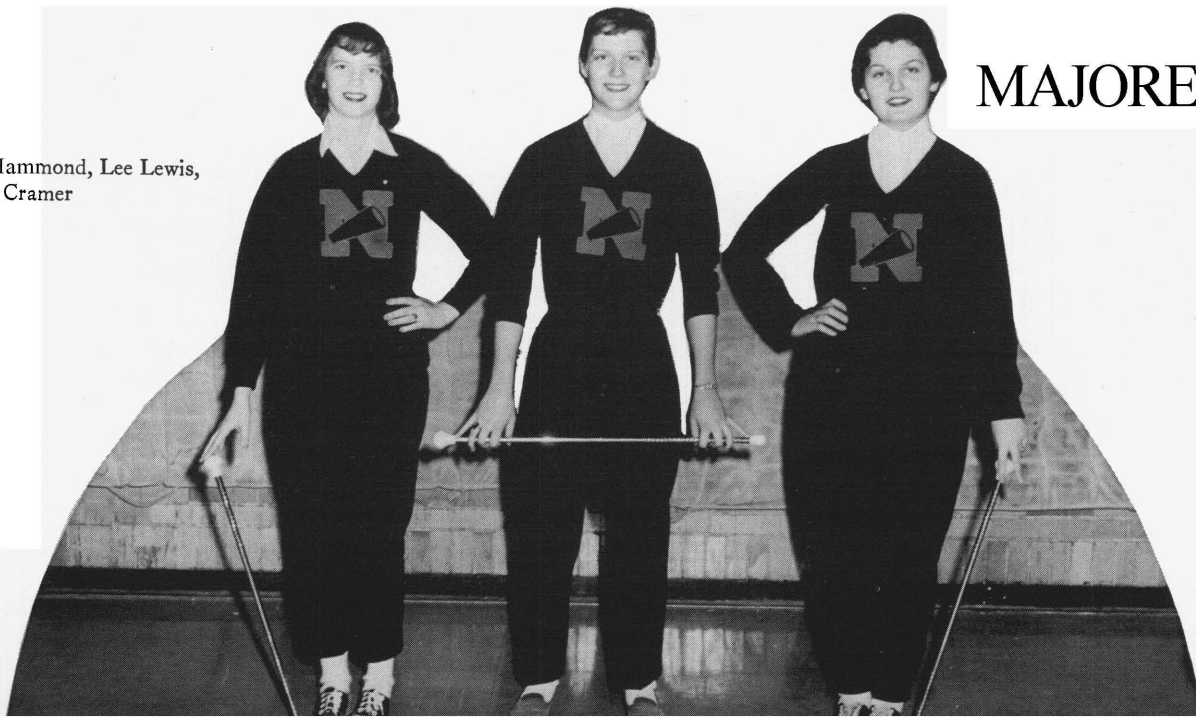

The Cheerleaders and the Majorettes are the mediators between the crowd and the players in any sport. They possess the enthusiasm and excitement of the entire crowd and convey that enthusiasm to the players in their motions and cheers.

The Cheerleaders this year were the same for football and basketball. For the first time this year there have been

Junior-Varsity cheerleaders. The cheerleaders are voted to their positions by the student council on the basis of their ability.

The Majorettes led the band in football season and added life and jest to its appearance. The skill and uniformity of the majorettes added color to the games and in general increased the enthusiasm of the fans.

Nancy Hammond, Lee Lewis, Barbara Cramer

# DANCE

The Annual W.A.A. Dance Revue was an unusual spectacle this year. Unusual talents were disclosed by the fairer sex which met with a rousing ovation. The entire program consisted of a variety of dances which demonstrated animated, comical, modern, and interpretive dancing, with choral numbers interspersed intermittently by the all girl chorus.

The Dance Revue is the largest event of the year which the W.A.A. undertakes and the girls spend many hours of time and drill in preparation for this one performance. Inventiveness and ingenuity go into the work behind the scenes as in any production, but on this set the off the scene preparation became the on the scene decorations and scenery.

The main production of the dance revue was Manhattan Towers. The above is a scene from it.

# REVUE

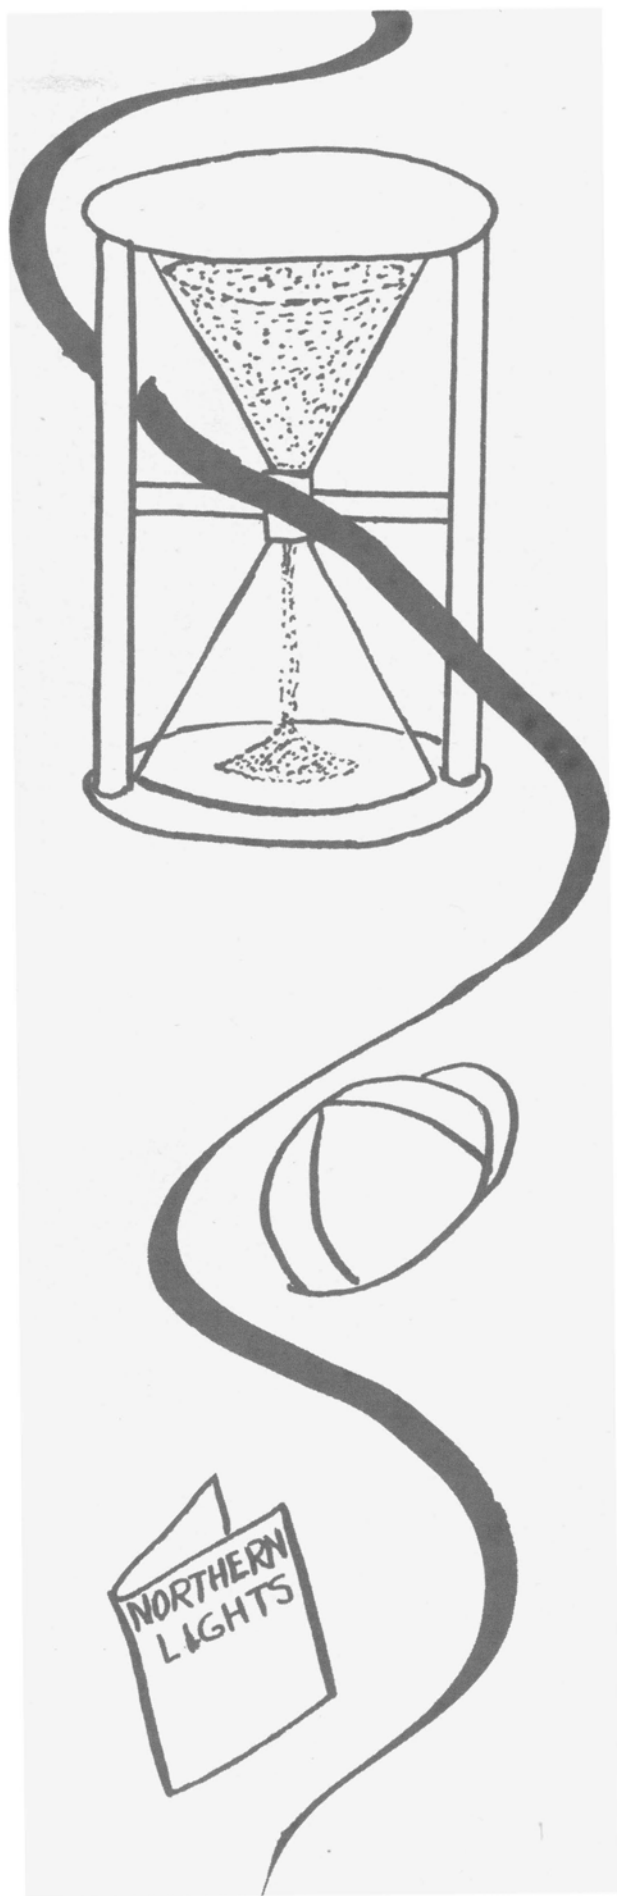

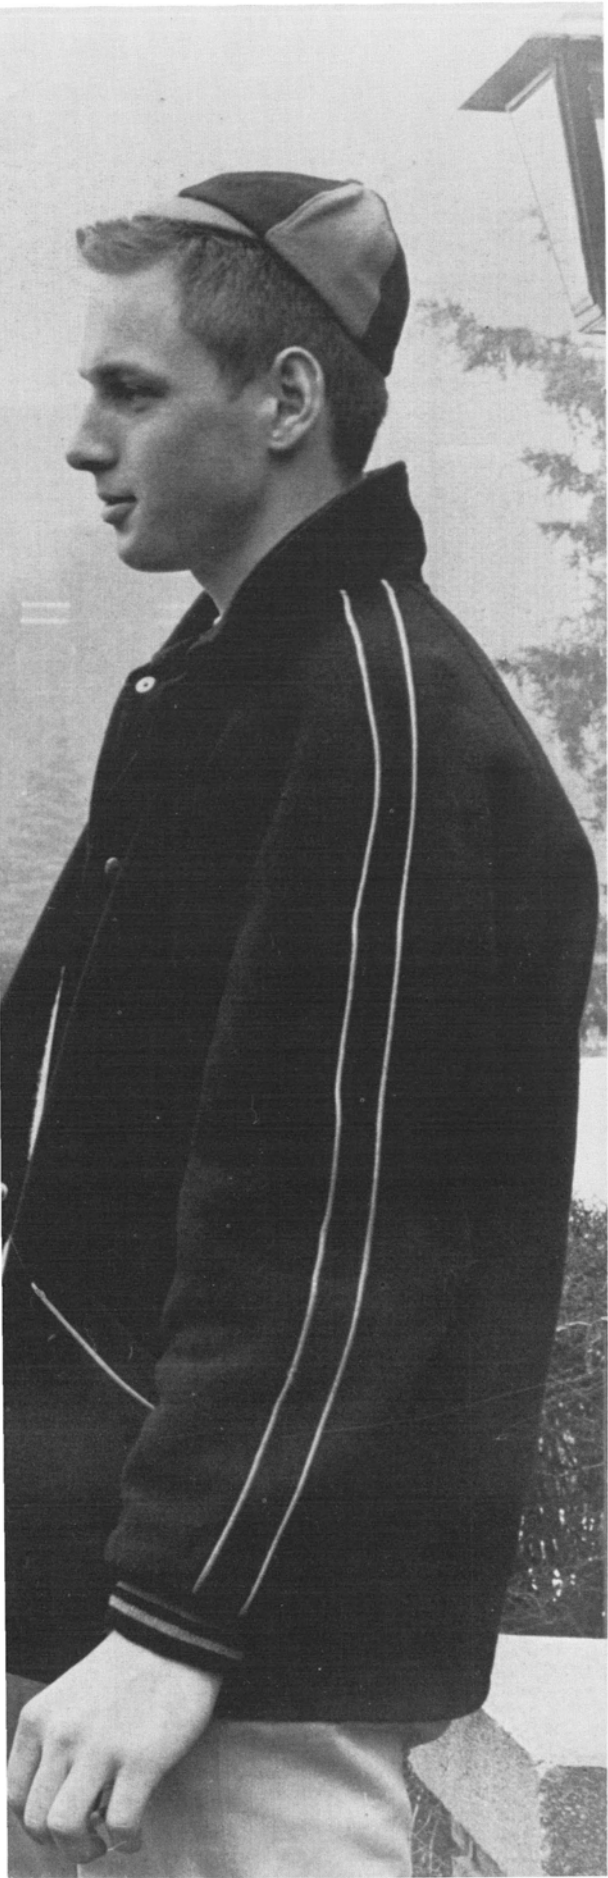

Modern interpretation of "Black Velvet." Jan Jackson, Sherrill Andrews, Jane Montgomery, Sue Mitchell.

Another year until that  
date,  
All we need is a stroke  
of fate.  
Cribbing and cheating might  
get us by,  
Our only limits, t'when our  
pen runs dry.  
When prof. pulls a test without  
a warning,  
We all go into a state of  
mourning.  
One more year of work plus  
fun,  
Before we can say a job well  
done.

Shove we must to push the

Only two more years we must  
do.  
The grind is hard the work  
is tough,  
But still we don't seem to  
do enough.  
Our degree is still quite  
far away,  
And we've no time for fun

One quarter down, three more  
to go,  
I never knew time could go  
so slow.  
Our hazing come with a great  
big gush,  
But we showed them up at the  
Flag Pole Rush.  
At the end of the quarter came  
our first exams,  
T'was soon we learned how  
to crib and cram.  
And now as the end of this  
term draws near,  
Just think we'll be Sophomores  
next year.

## A PRIZE-WINNING YEARBOOK AT THE THINKING STAGE

Long-standing customers, both yearbook staffs and advisors, are enthusiastic over the Keller yearbook program because experience has proved that application of its various services has made the job pleasant, easy, and gratifying.

Our intimate method of yearbook counsel and assistance, based upon continual service, is governed by a sincere desire to maintain the reputation that every Keller book is distinctive and custom-built. Many, as a result, win top critical awards.
